*Great minds
discuss ideas;
average minds
discuss events;
small minds
discuss people.*

-Eleanor Roosevelt

On 24th January, 2011 a number of International Islamic University Chittagong (IIUC) law graduate lawyers conceived the idea of forming an association and started working to achieve the goal to create a friendly and co-operational relation among the ex-students of the department of law of IIUC and after mooted the idea, the IIUC Law Alumni Association (ILAA) was born.

From the very beginning, the association governed and run by forming an Ad-hoc Committee where the first co-ordinator was Mr. Advocate Mohammad Rahim Uddin Chowdhury and the first member secretary was Mr. Advocate Mohammad Arshadul Islam (Sumon) who led it till November, 2014; and after that, an

election committee was formed. Present Executive Committee was formed by an election held by the election committee and bequeathed the ideas of the Grand Assembly to a successful Association in the arena of Chittagong and other District Bar Associations of Bangladesh.

ILAA is committed to provide assistance to the members in different ways and to keep a good relationship and communication among all alumni by setting up several activities like cultural programme, feast, recreational tour, iftar party and get together activities et cetera.

Actually, the IIUC Law Alumni Association (ILAA) is successfully formed by the help some of our dedicated alumni like Advocate Houssain Al-Ashkari, Advocate

Mohammad Rahim Uddin Chowdhury, Advocate Sheikh Md. Showkat, Advocate Imranul Karim Parvez, Advocate Mohammad Ridwan Goni, Advocate Mohammad Arshadul Islam (Sumon), Advocate Manash Das, Advocate Kazi Md. Ashraf Hossain Ansari, Advocate Shazidul Islam and many more who are still spreading their hands for the benefit of ILAA. Beside these, we want to give special thanks to Constitution Sub-Committee led by Advocate Sheikh Md. Showkat, Advocate Imranul Karim Parvez and Advocate Manash Das to give their labor to draft the Constitution of ILAA and to Advocate Shazidul Islam who make a design of our logo in this beautiful shape and style; and finally, we would like to give an especial thanks to Advocate Hossain Al-Ashkari for all the supports he has given in every occasion of ILAA till date through his sincerity, dedication and highest level of professionalism.

I would also like to mention, with much sadness, two of our alumni brothers have passed away in recent years: Advocate Didarul Alam and Advocate Syed Ashikul Huda of the 2nd and 6th batch's student respectively. We pray for their departed souls.

As we all know, a strong alumni association is a great strength and support for a department in many ways. That is why most departments, and universities, home and abroad, have their alumni association. We also have one. In this platform of ILAA, I

hope, we can work together to make our association a better place of learning and socializing, keeping up with the changing needs of the time.

In this continuation, we as a committee of ILAA, took a step to organize a Reunion for the 1st time and finally, it is achieved by all of your support and cooperation in a successful manner. It remains now for me to express my thanks to you all, our alumni, for responding to our call for this reunion.

I am grateful to those alumni who have been working hard for the last few weeks to arrange this reunion program and I am also thankful to Mr. Advocate Sahadat Hossain Chowdhury (Shahriar), the President of ILAA, and the Executive Members of the committee and others to spend their valuable time to publish this Magazine.

Special thanks to Mr. Advocate A. F. M. Saifullah Chowdhury (Nayan), Mr. Advocate Masudul Hoq, Mr. Advocate Rabiul Hossen Nayan, Mr. Advocate Shahidul Alam Chowdhury, Mr. Advocate Mohammad Hasan Ali (Ruman), Mr. Advocate Md. Fakhru Islam, and other alumni who directly and indirectly helped us, to organize this.

Before I end, I would like to mention you that, this is the first time that we have organized such a re-union programme and published this Magazine, and hence a request to you to ignore our unintentional errors, if any. In future, I'm sure, we will do much better.

We wish all our alumni brothers and sisters good health and long life.

I wish you all the best.

Misconceptions About The Rights Of Women In Islam

Advocate Sultan Mohammad Wohid
2nd Batch

I've remembered a childhood story about famous Meena cartoon where it was showing that Meena had to face a great deal of discrimination in her daily life because of a girl only. This story based on the practical situation of our society in respect of common gender discrimination.

Like this, there is a misconception prevailing in our society that, only the Islamic law does not treat women and men equally and such law gives priority to the male Muslims rather than female. Some arguable questions regarding this issue are discussed in the following ways:

Generally, some women think they are undervalued by Islamic law. The main logic behind their suspicion is that, one man is treated as equal to two women in the share of inherited property. Further, males have a right to marry up to four wives whereas females have the right to marry only one at a time. In other side, males have right to guardianship but female's don't.

But if we look at the explanation of Holly Quran and Sunnah, it can be seen that Islamic law is the only school of belief which has always tried to establish the right of a woman and offers them more privilege than to a Muslim male.

These days, we find discrimination against women in many families beginning even before birth with sex-selective abortion. Once the girl child is born, she faces discrimination in the areas of nutrition, health care and eventually in the area of education. During the Roman civilization, a woman was regarded as slave and the Greek considered her a commodity to be bought and sold. In Hindu law, there was a custom that a widow had to jump into

the funeral flame of her husband. Even now in Hindu Law, women have no right to paternal property and they are not considered members in joint Hindu family business. Besides, before 1850 in England, women were not counted as citizens and before 1882, they had no personal right like a man. Even in our country, some separate laws have provided to protect the interests of the females, and also, there has separate ministries to deal with this issue, like the Ministry for Women and Children Affairs of the Government of Bangladesh, created in 1978.

If we look at the history of our civilization, we can find that, Islam was the first religion to establish the rights of women in the earth which liberated women from slavery and darkness.

So, at first, let's discuss the arguable questions about the reason behind the double share of a son in his paternal property. Basically, according to the explanation of Sharia, responsibility attributes on the man to maintain not only his wife but also his children even if the woman is wealthier than her husband. No married woman is bound to spend a penny from her property and income on the household. She is entitled to get full financial support by law during marriage and during the waiting period (iddah) in case of divorce. Again, if we speak about the Quranic heir, they are 12 in number and 8 of them are women. It is a burning example that in case of succession, Islam gives women special priority.

Another argument arise about polygamy that a Muslim man is permitted to marry up to 4 wives but woman is not allowed doing so at a time. According to the definitions available online, polygamy is defined as having more than one spouse at a time. The main reason behind that privilege is that, if polygamy is allowed for women, it would be impossible to identify the paternity of children, which would destroy the fabric of the society.

Again in case of custody and guardianship, father is entitled to the custody of the son over 7 years of age and the right of guardianship of children is always vested to the father. The main logic behind such rule is the socio economic conditions of the women have the effect of not favoring them in this case and the preconceived idea remain that women are unable to maintain the child due to their lack of economic solvency.

So, it's evident that Islamic law contains a comprehensible message concerning equality of sexes and hence, I humbly request to all of you not to believe in any misconception of Islamic law without study.

Safety of Labourers in Labour Law of Bangladesh

Advocate Mohammad Hasan Ali
11th Batch

Safety is one of the major rights for the labourers in the work place. United Nations Universal Declaration of Human Rights, 1948, states- Everyone has the right to work, to free choice of employment, to just and favourable conditions of work (Article 23). All establishments must ensure safety at their premises for their workers. The object of the safety is very important in labour law. The provisions relating to the safety matter have immense importance.

On 11 October 2006, after a long decision, the Parliament of Bangladesh enacted the Labour Act, 2006. Before this Act, there were more than 50 labour laws since British Colonial regime. The provisions relating occupational safety has described in new law. Safety of machinery and building, protection of eyes, prohibition about excessive weight, safety from dangerous fumes, explosive gas has ensured under the Labour Act, 2006.

Section 61 has said to take necessary step if there has any dangerous machine in the establishment. Some machinery shall have to be strongly fenced by adequate construction manoeuvre under section 63. Such as- every moving part of a prime-mover, both the head-races of every water-wheel and water-turbine, every part of transmission machinery, every dangerous part of any machinery, etc. The section 64 is saying that if there is needed to examine specific machinery of an industry, the examiner must have to follow some rules. About the striking gear and other devices for cutting off power has been mentioned in the immediate next section of section 64.

Section 66 says about self-acting machines of the establishment and the next provision says to sunk, encase the set-screw, belt or key or any revolving shaft, spindle, and wheel etc to prevent danger. The notice of maximum safe velocity of every grind-stone or abrasive wheel, the velocity of the shaft or spindle upon which the wheel is mounted etc must be posted on or placed near each machine in every room of any establishment under section 70. The immediate next provision is saying about taking necessary measure for pressure plant then it can not transcend its safe working pressure. If an inspector sees that any machinery or plant is in such condition that it is threatening to life and safety, he may supply the necessary drawing and other information to the establishment then the machinery or plant can be used with safety.

The safety of building has been ensured in the Labour Act, 2006. The establishment must take necessary step if there have any building or any of its parts or any pathway in danger. All floors, stairs, pathways shall have to be soundly constructed and appropriately maintained for ensuring safety for the labourers. If there have any fixed vessel, pit, hole or tunnel entrance and by the reason of its depth, situation, construction etc it may be the cause of danger, all of these have to securely covered or fenced.

As to safety matter this law mentioning that every hoists and lift shall have to be excellently made of adequately strong and maintained properly as well as examined at least once in every six months. Factory fire is a sensitive issue in our county. This Act strongly adopted precautions regarding fire. The Labour Act, 2006 ensures the protection of eyes and prohibition about excessive weights. The Law has taken proper measurement against dangerous fumes then a labour can not be injured by such fume. If there have gas, fume, vapour or dust in any establishment, the authority of the establishment has to remove such dust, fume or vapour.

Beside the provisions of the Act, the Govt. of Bangladesh and various organizations are working to ensure the safety of labourers in the work place. ILO has some conventions which about the safety of the workers. The ILO Conventions and on occupational safety embody principles which define the rights of workers in this field as well as allocating duties and responsibilities to the competent authorities, to employers and to workers.

JUSTICE

Advocate Md. Nuruzzaman (Mafi)
11th Batch

Introduction: Justice is a concept of moral rightness based on ethics, rationality, law, natural law, religion, or equity, along with the punishment of the breach of said ethics; justice is the act of being just and/or fair. According to most contemporary theories of justice, justice is overwhelmingly important: John Rawls claims that "Justice is the first virtue of social institutions, as truth is of systems of thought. Justice can be thought of as distinct from and more fundamental than benevolence, charity, mercy, generosity or compassion. Justice has traditionally been associated with concepts of fate, reincarnation or Divine Providence, with a life in accordance with the cosmic plan. The association of justice with fairness has thus been historically and culturally rare and is perhaps chiefly a modern innovation in western societies.

Principle: In short according to John Rawls there are two principle of Justice such as:

1. The First Principle of Justice: each person is to have an equal right to the most extensive basic liberty compatible with a similar liberty for others.

The basic liberties of citizens are the political liberty to vote and run for office, freedom of speech and assembly, liberty of conscience, freedom of personal property and freedom from arbitrary arrest. However, he says:

Liberties not on the list, for example, the right to own certain kinds of property and freedom of contract as understood by the doctrine of

laissez-faire are not basic; and so they are not protected by the priority of the first principle.

The basic liberties of citizens are, the political liberty to vote and run for office, freedom of speech and assembly, liberty of conscience, freedom of personal property and freedom from arbitrary arrest.

2. The Second Principle of Justice:

Social and economic inequalities are to be arranged so that

(a) They are to be of the greatest benefit to the least-advantaged members of society

(b) Offices and positions must be open to everyone under conditions of fair equality of opportunity. Condition: In our country justice are now very rare. Most are suffering for misuse of law. There are many reasons for misusing of law mainly misusing of political power, money power, and dishonesty of judges, dishonesty of lawyer, and dishonesty of executive, legislative, judiciary body. It will be clear if we recite a poem such as:

Justice almost on the way of death
Justice! Justice, why are you so far?

OM! Here is politics I'm so fear.

Justice! Justice why are you so far?

Here is corruption so I'm not near

Justice! Justice where are you?

I'm here not for use but only for view!

Legislative, Judiciary, Executive are separated

According to say

But they are heartily related on the way

No problem, No matter, are you a criminal?

Give a big amount for relief, way are several.

Your honor, my client is innocent, pure

Don't punish him, don't send him to jail.

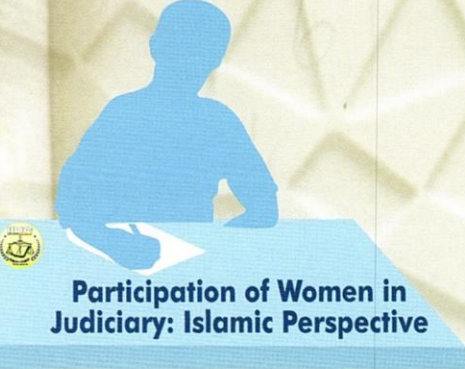

Cordially request, please give him bail.

At that time, justice will die for that reason.

Safe justice, steps should be taken necessary

And of course, there must be needed actual
separation of judiciary.

Participation of Women in Judiciary: Islamic Perspective

Sadia Afroze

16th Batch

Introduction:

The position of women in Islam has been given special importance by those who conduct this onslaught. They claim that Islamic Law has downgraded the position of women. Is it actually true? Why I choose this topic? In our country both the government and the opposition parties' leaders are women. I myself want to be a law practitioner. But when I deeply think about the issue of women's participation in that two field I find it complex. Differences on the status of men and women are as old as Islam. Social tradition and local environment contributed to differences in practice in different areas and different scholarly views. The status of the women in Islam regarding any field can be properly understood when we know how they treated in the era of Prophet and four rightly guided Caliph. In this paper I cited the examples from those periods regarding the subject-matter.

Women's Participation in Judiciary:

- Scholars have different views on whether women can hold judicial posts. Some say women can be judge only in a case in which she can act as a witness. It should be noted that in some specific manner women cannot be witnesses.
- Others scholars maintain that since a woman can give religious rulings if she attains an appropriate level of scholarship, so she can be judge. Among the leading scholars holding this last view are-

- Abu Hanifah
- Al-Tabari
- Ibn Hazm

Even Abu Hanifah considers that all public posts are available for women except for the very top post of Caliph. Because a woman can not fulfill some duties those are incumbent on the caliph, such as leading in congregational prayers on the two Eid occasions and similar religious duties. Except this any other post is consider equal for all believers.

- Al-Mawardi in his book "Al-Ahkam al-Sultania" has enumerated the qualities of judge. But there he has not mention anything regarding sex of the judge.
- Imam Malik insists that only men should be judges. According to him the Muslim judge is higher than the Muslim ruler; he is empowered to check the misdeeds of the Muslim ruler.
- As I earlier mention in the time of Prophet and rightly guided Caliphs there were women who hold the administrative post such as magistrate.
- Umar ibn al-Khattab, the second caliph, she was appointed as inspector judge (muhtasib) in the market of Medina.
- Umar appointed Samra' bint Nuhayk of the sad clan in the same post in Makkah and he gave a whip to punish anyone who cheated or gave measure. These are a post combining judicial and executive responsibilities.

My Opinion:

- The differences between men and women lead to specific needs and complex disputes, whose management is a key element of ensuring social cohesion. Any failure to acknowledge or manage these needs and disputes effectively in the name of equality can be just as oppressive and detrimental as believing they symbolize the superiority of one sex over the other.
- The problem is that liberal and feminist thinkers asserted perceived differences between men and women were a social construct, not a biological fact. They also asserted that the discussion of differences

Participation of Women in Judiciary: Islamic Perspective

had been used historically as a tool for condemning women to subordinate roles. Historically in Europe, there have been some absurd assumptions, not facts, about perceived differences between men and women (whether or not women possessed deficient intelligence, reduced capability for sound verdicts, and a lower capacity to learn and think). The distinction between gender and sex therefore appears justifiable and a helpful way to separate developments from biological fact but rejecting all differences by attributing them to the product of social conditions cannot actually be a correct account of human nature

- Islam defined clearly the role of women in society; it made her primary role as a mother and wife but did not restrict her to these roles only. It permitted her the right to gain employment, invest her wealth, take up positions of governance, carry the call of Islam and gain an education. When Islam spoke about her role as a mother and wife this was in the context of her primary role not her only role.
- Women, however, are granted to partake in any political role outside of ruling, such as appointment in government to civil service where she is considered an employee, or in areas like judiciary in the position of judge where she exercises her own verdict according to her view of the evidence presented in a court of law. She may also be a member of the Majlis al-Ummah which, unlike a Western parliament, is not considered a ruling structure but rather a body that accounts the ruler on his implementation of Islam, monitors him and expresses its disapproval when it perceives that he is not fulfilling his duties with regards to the affairs of the Ummah.
- Since women's participation in politics and

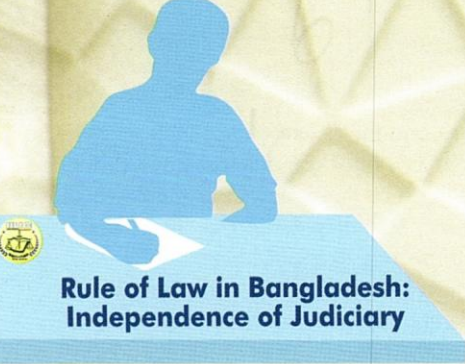

judiciary and their competency in those field are questions on which scholars have different views, since these views are the result of ijtihad or scholarly endeavor it is really difficult to come to a conclusion.

- But what I think is that, the real Islamic attitude in all such matter is a middle position between the two extremes of rigidly holding of old social traditions and importing alien values and practices.
- As a Muslim every woman should know what her basic fundamental duties are. As a woman we cannot ignore the role of a daughter, wife and mother. These roles give us the most precious status in the society and even in hereafter. But if we take those roles as burden and think that Islam deprived women then, we actually are going in a wrong direction. For a woman feminism is a quality, which earns her respect. Even our prophet said that "woman who behaves like man and man who behaves like woman both have been cursed."
- No verse or statement in the Quran prevents women from holding public or government posts. Even Quran praises the Queen of Sheba for her wisdom and other personal qualities.

Conclusion:

Writing on such issue is kind of complex and multidimensional. Even such topics are most of the times surrounded by confusion and ambiguity. Because the position of women in those fields are maximum times measure on the viewpoints of western rather than analyzing what actually prescribed or determined in the Islam. If we take western idea and views as regarding these issues and come to Islam what it says about those issues we actually misguiding ourselves and also trivializing and jeopardizing the position and identity of women. If we do so we will never able to come to a specific answers. If we want to find answers regarding these issues in Islam we should think like that, Islam is the problem-solving ideology and the problems of women can be resolved only through Islamization.

Rule of Law in Bangladesh: Independence of Judiciary

Hasnain Mahmood

18th Batch

Laws are made for the welfare of the people. So that, people can live independently in the society and feel secured. It will happen if rule of law can be ensured in the society or country. The rule of law is one of the important feature of the constitution of Bangladesh. But at present we see a different condition against this rule of law. Especially, the ruling party is abusing this power for their own shake. The rise of incidents of extortion, smuggling, political violence, torture and other problems faced by minority groups, extra-judicial killings and terrorism and use of illegal firearms has also increased and other sorts of crimes, mark deterioration in the law and order situation in the country recently which has worried and disturbed the people greatly. But no indication of any improvement in the situation is visible yet. Today people feel unsecured and they can hardly belief and depend on police force as they can't do their work according to the law. They need to satisfy their political leader. For this reason law and order situation of Bangladesh has become a contested issue. And it is so bad nowadays that you cannot ensure that you can get home safe and sound.

The rule of law (also known as monarchy) primarily refers to the influence and authority of law within society, especially as a constraint upon behavior, including of government officials. The phrase can be traced back to the 16th century, and it was popularized in the 19th century by British jurist A.V. Dicey. The concept was familiar to ancient philosophers such as Aristotle, who wrote "Law should

govern". Rule of law implies that every citizen is subject to the law. It stands in contrast to the idea that the ruler is above the law, for example by divine right. The Dicey concept of the rule of law involves the following three elements:

1. The rights of individuals are determined by legal rules and not by arbitrary behavior of the authorities and this is what is described as the absence of arbitrariness;
2. No punishment is legal unless a court decides that there is a breach of law by the condemned or offender;
3. Everyone, regardless of one's position in society, is subject to the same ordinary (as opposed to special) laws of the country concerned.

In the modern sense, the expression rule of law means supremacy of 'the law' and not 'rule by law'. This legal supremacy can be attained through ensuring a complete responsibility of those in charge of powers on behalf of those governed. By the term 'rule of law', we often some principles such as liberal democracy, guarantee of fundamental rights, existence of an independent judiciary, insurance of human equality and dignity etc.

The independence of judiciary is inextricably linked up with the rule of law. An independent and impartial judiciary is a precondition of rule of law. Constitutional provisions will be mere moral precepts yielding no result unless there is machinery for

enforcement of those provisions and faithful enforcement of those provisions is not possible in the absence of an independent and impartial judiciary.

Article 94(4), 96 and 147 of the constitution ensure the independence and impartiality of the judges of the Supreme Court. Article 96(5) provides that a judge of the Supreme Court can be removed from service only if he has ceased to be capable of properly performing the functions of his office by reason of physical or mental incapacity or he is guilty of gross misconduct. For the establishment of rule of law the subordinate judiciary must also be independent and impartial. In the case of Secretary, Ministry of finance, Government of Bangladesh Vs Mr. Md. Masdar Hossain & Others, the organ of judiciary has been separated from the executive organ to give sdfs

Rule of Law in Bangladesh: Independence of Judiciary

effect to Article 22 of the Constitution. This is a landmark decision to the way of rule of law. Article 116A further mandates that subject to the provisions of the constitution, the judicial officers and magistrates shall be independent in the exercise of their judicial function.

The prime and foremost expectation of the people of a country is to establish 'Rule of Law'. Our supreme law i.e. the Constitution has made provisions for enforcement of rule of law in the country. If the constitution is followed in letter and spirit, there is no reason why rule of law cannot be achieved. Rule of law cannot be established in the society unless the people in general and people actively involved with the function of government as well as with politics have faith in the utility and effectiveness of rule of law and

have commitment for it. It is a matter of regret that there is deficiency of respect for and commitment towards rule of law. In addition, corruption and pursuit of politician have seriously undermined rule of law in our country. In the line of the mandates of preamble of our constitution, it is high time to establish a socialist society where fundamental rights of the people, equality and justice, and most importantly rule of law is ensured.

Basically, to prevent sabotage & terrorist acts, for control overall law and order situation in the country the law enforcement agency or the police can search-detained of the suspicious goods or persons or institutions. ৪র্থ ব্যাচ

৭ জানুয়ারি। সূর্যের আলো নিভে গেছে। অন্ধকারে আকাশে তারার দ্রুতি ছড়িয়ে পড়েছে। ছাদে পায়চারি করছে রাজ। পরনে নীল ফতুয়া, সাদা পায়জামা। হাতে সিলভার কালারের র‍্যাডো ঘড়ি। এলোমেলো চুল। বিষণ্ণ মনে তাকিয়ে আছে আকাশের দিকে। তারাগুলো যেন একে একে খসে পড়ছে। তার পায়ের নিচের ছাদ যেন সরে যাচ্ছে। মরুভূমির খা খা বালির মত তার মনটাও খা খা করছে। পাশের বিল্ডিংয়ের এক টুকরো আলো এসে পড়ল তার চোখে। মনে পড়ল সোনালী দিনের কথা।

প্রথম দেখাতেই মনে ধরে তাসমিকে। কালো রঙের সালোয়ার, বিভিন্ন ফুলে রাঙানো কামিজ। সুন্দর চাহনি। অতুলনীয় হাসি। রূপভর্তি সোনার অঙ্গ। অনিন্দ্যসুন্দর রূপসী তার সবারূপ ছড়িয়ে, ঘরে গেল আছরের নামাজ পড়তে। রাজ সেদিনই সিদ্ধান্ত নেয় বিয়ে করলে এমন মেয়েকেই করবে।

অনেক সাধনায় তাসমির সাথে গাটছাড়া বাঁধে রাজ। বাসর ঘর। ফুলের গন্ধ। সব গন্ধ ছাড়িয়ে তাসমির গন্ধ তাকে পাগল করে তুলছে। তাসমির কাছে যেতেই কলিজাটা কেমন মোচড় ছিল তার। তাসমির নরম তুলতুলে হাত তার পায়ে লাগতেই হৃদস্পন্দন আরো বেড়ে গেল। কিছুতেই নিজেকে সামলাতে পারছে না রাজ। মহামিলনের এই সুখে রাজ ভাবে দাম্পত্য মানেই ভালবাসার এক অটুট বন্ধন। দুজন মিলে নিষ্প্রাণ বাড়ি এবং আসবাবপত্রের সমষ্টিকে ঘর বানিয়ে তোলা। একসঙ্গে সন্তানদেরকে মানুষের মত গড়ে তোলা। হাসি-কান্না। সুখ-দুঃখ ভাগ করা। ভবিষ্যতের উজ্জ্বল স্বপ্ন দেখা।

রাজের চার সন্তান। সবাই কর্মব্যস্ত। চাকুরী জীবনের Welfare। খুশিতে অনেক বাজার করে। পাড়ায় আড্ডা না দেওয়া রাজ এশার নামাজ শেষে অনেক আড্ডা দিয়ে বাসায় ফিরে। কলিংবেল টিপতেই তাসমি হাজির! রুটিনের কোন পরিবর্তন দেখল না রাজ। তাও তাসমিকে বুকের সাথে জড়িয়ে নেয় রাজ। রাজের অশ্রুসিক্ত জল তাসমির শরীরে পড়তেই আঁতকে উঠে তাসমি। তাসমি প্রশ্ন করতেই তার দিকে তাকিয়ে রাজ বলল- আজ থেকে আমার ছুটি। এদিনের অপেক্ষায় ছিলাম। ছেলে-মেয়ের স্বপ্ন পূরণে না সময় পেয়েছি আমি। না তুমি। চল খেতে বসি।

ঢং ঢং করে ঘণ্টা বাজল। রাত বারোটা।

Happy Marriage day dear papa and dear mom! এক সাথে অনেকগুলো কণ্ঠস্বর ভেসে আসে। আজ তাদের ৪৪তম বিবাহ বার্ষিকী। তাদের তিন ছেলে, এক মেয়ে। দুই ছেলের বউ। দুই নাতি। এক নাতনি। ডাইনিং টেবিলে খাবার তৈরি। টেবিলের উপ চেয়ারে বসল রাজ। ছোট নাতি বলল-দাদু ভাই আমরা আড়ালে দাঁড়িয়ে তোমার আর দিদা'র সব ভালবাসা দেখছি।

- আমার দাদু ছোট হলে কি হবে, সব বুঝে দেখছি। শুরু কর সবাই।

খাবার পর মুকিম বলল- আমরা তোমাদেরকে আর একা ছাড়ছি না। এবার তোমাদেরকে আমাদের বাসা নিয়ে যাব। রাজের বড় ছেলে। এম.বি.এ পাশ করে ব্যাংকে চাকুরী করে। সকাল ৯টায় বের হয়ে লোকের টাকা গুনে রাতে বাসায় ফেরে। আজকাল ব্যাংকারেরাও অনেক বেতন পায়। টুকটাক নাড়া চাড়া করলে তো ষোল আনা পূর্ণ হয়। রাজ বলল- ঠিক আছে তাই হবে।

-চল তাসমি, ছেলে-মেয়েরা একটু কথা বলুক।

তাসমি বলল- আমরাও বসি।

- কি যে বল তুমি। ওরা বড় হয়েছে না। চল আমরা আমাদের রুমে যাই।

রাজ আর তাসমি রুমে যেতেই মুকিমের স্ত্রী সুহা শুরু করল-কি দরকার ছিল তোমার আগ-বাড়িয়ে কথা বলার।

- কি মুশকিল। আব্বুকে কি একটু বলেও দেখতে পারব না।

- আমার বাসায় দু'জনকে নিতে পারব না। ছাফ কথা।

মেজ বউ নাবিলা বলল- আমিও পারব না।

সেজ ছেলে মুহিত বলল-আমি ব্যাচেলর মানুষ। ছোট

একটা বাসা নিয়ে একা থাকি। তার উপর শেয়ার ও এম.এল.এম. ব্যবসায় আশি শেষ। কিছু টাকা Fixed Deposit করা ছিল। তাই রক্ষা

- ছোট মেয়ে রুহি ভার্টিটির হলে থাকে। এবার অনার্স Final Year এ। সে বলল-সামনেই আমার পরীক্ষা।

তার মুখের কথা থামিয়ে দিয়ে মেজ ছেলে মুহিন বলল-তুই থাম। বড়দের মাঝে কথা বলিস কেন? তুই আর কি করবি। তোরে-তো ঘর থেকে খরচ দিতে হয়। তোর ভাবীরাই ঠিক করুক কি করবে।

নাবিল বলল-বড় ভাবী যেহেতু নিতে চাইছে না। তাহলে আকা-আম্মা এখানেই থাক।

মুহিত বলল-তা কি করে হয়। বড় ভাইয়া যেহেতু বলেছে।

সুহা বলল-হয়েছে! হয়েছে! আর বলতে হবে না। তোমরা কেউ বলছ না তাই ও বলেছে। এখন একটা উপায় বের কর।

নাবিলা বলল-কি আর করা। সেজ ভাই তো নিতে পারবে না। আমার ছেলেকে দেখার সময় আমারও নাই, তোমাদের ভাইয়েরও। তাই আকাকে আমি নিয়ে যাই।

সুহা বলল-তাহলে আর কি। আমার বাসায় কাজের মেয়ে থাকতে চায় না। কাজের জন্য একটু ডাক দিলেই গৃহ পরিচালিকা নির্যাতন। দেশটার যে কি হবে আল্লাহই জানে! আম্মা আমার কাছে থাক। এক বছর পর Rotation change হবে। পাড়া গায়ের হুজুরদের মত।

রুমে বসে অস্থির হয়ে বার বার বের হতে চাচ্ছে তাসমি। তাকে বারণ করছে রাজ-অস্থির হচ্ছে কেন? দেখ কে আগে নিয়ে যাবে তা নিয়ে হয়ত কথা কাটাকাটি করছে।

- তাই যেন হয়।

দরজায় কড়া নড়তেই দরজা খোলে তাসমি। সিদ্ধান্ত গুনে আঁতকে উঠে। মুহূর্তেই তাসমির মুখে রাজ্যের অন্ধকার। রাজের মুখ পানে চেয়ে বলে-এ অসম্ভব। ঘর থেকে সবাই বের হতেই রাজের বৃকে ঝাঁপিয়ে পড়ে তাসমি-আমি তোমাকে ছাড়া থাকতে পারব না।

- আমিও কি পারব। ছেলেরা যখন চাইছে না। কি আর করা।

- না এভাবে আমি যাব না।

আচ্ছা ঠিক আছে কাল সকালে দেখা যাবে। অনেক রাত হয়েছে চল শুয়ে পড়ি।

দু'জন পাশাপাশি শুয়ে আছে। মনে হচ্ছে যোজন যোজন দূরে সমুদ্রের অঁথে লোনা জলে হাতরাচ্ছে। বেঁচে থাকার আকুতি চোখে পড়ার মত। নিজের অশ্রুজল গাল বেয়ে পড়তেই তাসমির চোখ পানে তাকায় রাজ। তার চোখেও অশ্রুর ফোয়ারা। তাসমির চোখে এত জল দেখে রাজ বিস্মিত। জীবনের এতটা বছরেও এত অশ্রু তার চোখ থেকে ঝরতে

দেখেনি।

আজকের সকালের তাসমির কোন কোলাহল নেই। নেই কোন চঞ্চলতা। তবুও ব্যাগ গোছাতে হল। নদী ভাঙ্গা মানুষের আত্ননাদ দেখেছে রাজ। কিন্তু হৃদয় দিয়ে বুঝে নি। আজ বুজল ভাঙ্গার কি ব্যাথা। যথার্থি তাসমি মুমিকদের সাথে আর রাজ মুহিনদের সাথে। তাসমি রাজের দিকে ভাল করে একবারও দেখল বলে মনে হল না। যত অভিমান সব রাজের উপর।

মুহিনের বাসায় নিজের সব কিছু গুছিয়ে নিতে পুরোদিন শেষ। তাসমির কথা বারবার মনে হচ্ছিল রাজের। জীবনে এই প্রথম সংসার গুছানোর কাজ করল সে। মুহিনের বউকে একবার বলেছিল।

সে বলল-আকা ঘরে কাজের লোক নেই। আর আমারও সময় নেই। সময় থাকলে করে দিতাম।

তাসমি কল্যাণে যা তাকে কখনও করতে হয়নি। রাতে খাবার টেবিলে অভ্যাসবসত টপ চেয়ার বসল রাজ। নাবিলা খাবার আনতে আনতে বলল- আকা এ চেয়ারে মুহিন বসে।

হাসিমুখে পাশের চেয়ারে যেতেই তার নাতি অমিত বলল-দাদু তুমি সবার বড়। তুমিই টপ চেয়ারে বসবে।

- না দাদু ভাই। এই চেয়ারে বসলে সংসারের সব দায়িত্ব নিতে হয়। তোমার আব্বু যেহেতু সংসার চালায়।

হৃদয়ের ভাষাটা মুখে আনতে পারেনি। খাবার শেষে তাসমির কাছে চিঠি লিখতে গিয়ে তার মনে হলে আগে একটা ফোন করা দরকার। দৌড়ে গিয়ে মুহিনকে ডাকল। মুহিন দরজা খোলে বিরক্তের স্বরে বলল এতে রাতে কি dad;

- একটা ফোন।

- dad! এখন রাত হয়েছে। কালকে কর-বলেই তার মুখের উপর দরজা বন্ধ করে দিল।

- ঠিক আছে।

মনের ব্যথাটা আরও বেড়ে গেল তার। তাসমি কেমন আছে। দরজা খোলে বইরে গিয়ে Call Centre থেকে মুকিমের T & T Number এ Call করতেই তাসমি বলল সারাদিন আমার কথা একবারও মনে হল না। কি আশ্চর্য! কে জিজ্ঞাস করার আগেই কথাগুলো বলল।

হৃদয়টা ব্যথায় ভরা ছিল তার। মুহূর্তেই সব ব্যথা ভুলে গেল সে। ঔষধ খেলেও সে ব্যাথা সারত না। ভালবাসার টান অনুভব করল। অভিমানি কণ্ঠে তাসমি বলল-তুমি কি করছ?

- আমি Call Centre থেকে Call করছি।

- আমি তাও পারছি না।

- কিন্তু কেন?

ঘরে ঢোকার পর সুহা আমাদের নাতনি সোমার রুমে ব্যাগ নেওয়ার কথা বলতেই সোমা বলল- Sorry Mam আমার রুমে আমি কাউকে রাখতে পারব না।

আমি Varsity তে পড়ি। আমার একটা Personal Live আছে।

- ঠিক আছে। ভাল থাক। পরে কথা হবে। কেউ আর কোন কথা বলতে পারে নি।

ঘরে ঢুকতেই নাবিলা বলল-তোমার বাবার কান্ড দেখ। এত রাতে দরজা খোলা রেখে আমাদের রাতের ঘুম হারাম করে দিল।

বৌমা আমার কাছে-আসলে----চাবি।

মুহিন বলল-dad! তোমার কি কোন কান্ড জ্ঞান নেই। এত রাত পর্যন্ত নাবিলাও জেগে রইল! অঘটনের কথা না হয় বাদ'ই দিলাম। কাল সকালের নাস্তা, অমিতের স্কুল, আরও কত কাজ।

- Sorry! বাবা।

- ভবিষ্যতে এখানে এসব কাণ্ড আর করো না।

সকালের নামাজ পড়তে উঠে দেখে। সবাই ঘুম। মুহিন আগে নামাজ পড়ত। নামাজের জন্য তাকে কখনও মারতে হয় নি। এখন ডাকতে গিয়েও সাহস হল না তার। তাসমির জন্য- লিখা চিঠিটা Morning Walk করার আগেই এপার্টমেন্টের Letter Box এ দেওয়ার ইচ্ছে হল কিন্তু দরজা খোলা রেখে তাও সম্ভব হলো না।

এভাবে দিন কাটছে। মাস যাচ্ছে। একদিন সকালে নাস্তার আগে তাড়াহুড়ো করে তাসমির চিঠি পড়তে গিয়ে চশমাটা নিচে পড়ে। চশমার কাঁচটা ভেঙ্গে গেল। মুহিনকে বলতেই-সে বলল-দেখ-dad! প্রাইভেট কোম্পানীতে চাকুরী করি। সকালে গিয়ে সন্ধ্যা রাতে ফিরি। বন্ধের দিন মনে করে দিও। আমি ঠিক করিয়ে নেব।

- ঠিক আছে।

চিঠি পড়ার জন্য দাদু ভাই অমিতের সাহায্য নিতে চাইলাম। সে বলল- তোমার Persoanl চিঠি আমি পড়তে পারব না। Sorry দাদু!

কি সেন্স! মাত্র ক্লাশ ফোরে পড়ে। সত্যি তো এ কথা তার মাথায়ও আসে নি। কিন্তু তাসমির চিঠি পড়তে না পেরে তার অস্থির লাগছে। চশমা ছাড়া চোখে দেখে না সে। খালি চোখে কয়েকবার চেষ্টা করল। পারল না। বেলকনিতে পায়চারি করল। বিকালে শুয়া থেকে উঠতে দেখে অমিত বলছে-দাদু ভাই রুমে আসতে পারি।

- এসো দাদু ভাই।

- তুমি দিদার'র চিঠি পড়তে পারছ না তাইতো। দেখ তোমার জন্য সারপ্রাইজ।

- একি! দাদু তুমি কখন চশমা ঠিক করলে।

- তোমার পায়চারি দেখে নিয়ে গেলাম।

- Thank You দাদু!

- ঠিক আছে তুমি পড়ে চা খেতে এসো।

তাসমির চিঠি খুলল রাজ। তাতে লেখা---সোমা একটা ছেলের সাথে মিশে। যেটা সে পছন্দ করে না। পিতা-মাতা দেখে মেয়ের বিয়ে দেবে। এ যুগের ছেলে মেয়ে তা মানবে কেন? নিজের পছন্দে কাউকে বিয়ে করবে। তারপর ম্যাচিং না হলেই ডিভোর্স! এই থার্ডি ফাস্ট নাইটে মুকিম ও সুহা ঘরের কেনাকাটার জন্য সন্ধ্যার পরে শপিং এ যায়। এই সুযোগ রাত ৯.০০ টার দিকে সোমার বয়ফ্রেন্ড বাসায় নিচে দাঁড়িয়ে সোমাকে Call করে Blossom Garden এ নিয়ে যায়। ছেলেটাকে দেখে একটু নেশাগ্রস্ত মনে হল। এদিকে রাত প্রায় এগারোটা! মুকিম, সুহা বারবার ফোন করছে। সুইচ অফ। টেনশনে ড্রয়িং রুমে পায়চারি করছে। আমি বের হয়ে সোজা চলে গেলাম Blossom Garden এ। নিচের ফ্লোরে না পেয়ে উপরে আলো-আঁধারের ছোট ছোট খোপে দেখি সোমাকে বাধ্য করছে----। একটা থাপ্পড় দিয়ে কিছু কথা শুনাতেই, সে বলে।

- Who are you?

- I am her grandmother.

আমার দিকে এগিয়ে আসতেই আমি Manager কে ডাক দেই। সোমা আমার বুকে পড়ে কাঁদতে থাকে। সোজা বাসায়। আমি আগে ঢুকি। সোমা দরজার বাইরে দাঁড়িয়ে। নাবিলাই গুরু করল-আমরা এত টেনশনে! আর আপনি বুঝি থার্ডি ফাস্ট নাইট পালন করতে-----।

- ব্যাস! অনেক হয়েছে। আর না।

সোমা আমাকে জড়িয়ে তার রুমে নিয়ে গেল।

আর পড়তে ইচ্ছে করল না রাজের। চায়ের টেবিলে ঢুকতেই দেখে বউমা অমিতকে বকছে-আজ টিফিনের টাকা দিয়ে চশমা, কাল চুরি-----।

চা শেষ করে ছাদে উঠে। ছাদ থেকে নামতে ইচ্ছে করছে না তার। মনে হচ্ছে খোলা আকাশের নিচে অনেক শান্তি। ইট, পাথরের দেয়ালের মাঝে প্রাচুর্য থাকলেও শান্তি নেই। অনেক রাত। খাবারের জন্য নিচে নামে রাজ। দরজায় কলিং বেল টিপতেই দরজা খুলে রাজকে জড়িয়ে ধরল তাসমি। সমস্ত অভিমান জলাঞ্জলি দিয়ে রাজের বুকে মাথা রেখে ফুঁপিয়ে কাঁদতে কাঁদতে বিলাপের স্বরে বলতে লাগল- তোমাকে ছাড়া আমি কোথাও যাবো না। কখনো না।

অস্পষ্টস্বরে রাজের মুখ হতে বেল হল-- আমি বেকার। বেকারদের জীবনটা এমন। নিজস্ব স্বাধীনতা থাকতে সেই তাসমি।

রাজের চোখ থেকে টপটপ করে অশ্রু বারে পড়তে লাগল তাসমির মাথার উপর।

অস্থায়ী নিষেধাজ্ঞার আদেশ দ্বারা বিচার প্রার্থীক কতটুকু লাভবান হন?

এডভোকেট মোহাম্মদ তৌফিক উদ্দীন
১০ম ব্যাচ

১৯০৮ সনের দেওয়ানী কার্যবিধির আদেশ ৩৯ বিধি ১/২ ধারায় অস্থায়ী নিষেধাজ্ঞার আদেশের কথা বলা হয়েছে। মানুষ যখন তার সম্পত্তি অন্য কারো দ্বারা বেআইনীভাবে তহরুপ, বেদখল, হরণানী বা অন্য কোন ভাবে হুমকির সম্মুখীন হয় মানুষ তখন বিজ্ঞ আদালতে দায়েরী দেওয়ানী মামলায় অন্তর্বর্তীকালীন প্রতিকার হিসেবে উপরোক্ত ধারায় অস্থায়ী নিষেধাজ্ঞার আবেদন করেন। বিজ্ঞ আদালত উভয় পক্ষের শুনানীান্তে বা উপযুক্ত করানো সম্ভব হলে এক পক্ষের আবেদনের প্রেক্ষিতে উপযুক্ত কারণ ব্যাখ্যা দিয়ে অস্থায়ী নিষেধাজ্ঞার আবেদন মঞ্জুর করেন। এখন প্রশ্ন হচ্ছে যে, বিজ্ঞ আদালতের এই আদেশ দ্বারা কতটুকুই বা মানুষ লাভবান হয়। যখন অন্য কারো দ্বারা বাদী বিবাদী তার সম্পত্তিতে বাধাগ্রস্ত হয় এবং বিবাদী যখন দলবল নিয়ে নালিশী সম্পত্তি হতে বাদীকে বেদখল করার জন্য চেষ্টা করে বা আসে তখন বাদী বিজ্ঞ আদালতের উক্ত পবিত্র আদেশ বিবাদীকে তাৎক্ষণিক দেখালে বিবাদী বিজ্ঞ আদালতের আদেশ দেখেও না দেখার ভান করে বা বিজ্ঞ আদালতের আদেশ অমান্য করে অশ্রদ্ধা করে বাদীকে নালিশী সম্পত্তি হতে বেদখল করে, বাদী তাৎক্ষণিক সংশ্লিষ্ট থানায় গেলে সংশ্লিষ্ট থানার ভারপ্রাপ্ত কর্মকর্তা বিজ্ঞ আদালতের আদেশ দেখার পর মক্কেল দুর্বল হলে বলে যে, “কই আমাকে তো কোন আদেশ কার্যকর করার জন্য বা মান্য করার জন্য বলা হয় নাই” আপনি দেওয়ানী আদালতে যান, এটা ঐ আদালতের এখতিয়ার। আর মক্কেল সবল হলে ভিন্ণতাও আছে। এখন প্রশ্ন হলো, দেওয়ানী আদালতের উক্ত পবিত্র আদেশ কে মানলো? বা না মানলো বা মানানোর জন্য কারো গরজ আছে কী? সংশ্লিষ্ট পক্ষ অত্যন্ত দৌড়ঝোপ করে, অনেক টাকা খরচ করে, আদালতে বিজ্ঞ সিনিয়র কৌশলী দ্বারা মামলা পরিচালনা করে উক্তরূপ নিষেধাজ্ঞা আদেশ পাওয়া গেল। কিন্তু অপর পক্ষ তা মানল না, তাৎক্ষণিক প্রতিকার হিসেবে কি আদালত কিছুই করতে

পারেনা? বা কিছুই কি করার নেই?

কোন পক্ষ বিজ্ঞ আদালতের উক্ত আদেশ অমান্য করায় অপর পক্ষ বিজ্ঞ আদালতে এসে দরখাস্ত দিয়ে বললে বিজ্ঞ আদালত বলেন যে, আপনি ভায়োলেশন মিস্ মামলা করেন, সেখানে আদেশ অমান্যের বিরুদ্ধে প্রতিকার আছে। কিন্তু ভায়োলেশন মিস্ মামলা করে বাদীর সম্পত্তি রক্ষা হবে কী?

উক্ত পক্ষ আবাবারো নিযুক্তীয় কৌশলী দ্বারা ভায়োলেশন মিস্ মামলা ফাইল করল, কিন্তু সমন জারী হবে, অপর পক্ষ আপত্তি দিবে, শুনানীতে যাবে, সাক্ষী হবে, যুক্তিতর্ক হবে তারপর ঐ পক্ষের শাস্তি হবে, এই সব কি কল্পনা করা যায়? এবং এই সব দ্বারা ঐ পক্ষের সম্পত্তি অপর পক্ষ হতে রক্ষা হবে কী?

তার এই ভায়োলেশন মিস্ মামলা মূল মামলার অন্তরালে কোন এক সময় হারিয়ে যাবে, তাহলে আদালতের অস্থায়ী নিষেধাজ্ঞার আদেশ দ্বারা ঐ পক্ষ কী প্রতিকার পেল, ঐ পক্ষের শ্রম গেল, এমনকি যে সম্পত্তি নিয়ে এতই কষ্ট সেই সম্পত্তি হতেও সে বেদখল হল, তাহলে আদৌ কি প্রয়োজন ছিল এই অস্থায়ী নিষেধাজ্ঞার আদেশের?

যদি এমন হতো বা বিচার প্রার্থী সকলের আশা এইরূপ যে, যদি কোন পক্ষের আবেদনের প্রেক্ষিতে বিজ্ঞ আদালত যখনই অপর পক্ষকে অস্থায়ী নিষেধাজ্ঞার আদেশ প্রচার করেন আর যখন অপর পক্ষ জনবল নিয়ে যদি কোন পক্ষকে তার সম্পত্তি হতে বেদখল করতে আসে বা বেদখলের চেষ্টা করে তখনই উক্ত পক্ষ যদি তার অনুকূলে প্রাপ্ত বিজ্ঞ আদালতের পবিত্র আদেশ দেখায় এবং অপর পক্ষ যদি না মানে বা আদালতের আদেশকে বৃদ্ধাঙ্গুল প্রদর্শন করে তখন যদি প্রাথমিকভাবে উক্ত পক্ষ বিজ্ঞ আদালতে ভায়োলেশন দরখাস্ত দেয় এই মর্মে যে, উক্ত পক্ষকে অপর পক্ষ বেদখলের চেষ্টা করায় অপর পক্ষের বিরুদ্ধে তাৎক্ষণিক প্রয়োজনীয় ব্যবস্থা গ্রহণের জন্য সংশ্লিষ্ট থানার ভারপ্রাপ্ত কর্মকর্তাকে নির্দেশ দেওয়ার প্রার্থনা করে এবং বিজ্ঞ আদালত প্রথমতঃ একতরফা শুনানীান্তে সংশ্লিষ্ট থানার ভারপ্রাপ্ত কর্মকর্তাকে নির্দেশ প্রচার করেন এই মর্মে যে, উক্ত পক্ষকে নালিশী সম্পত্তি হতে সম্পূর্ণরূপে বারিত করা হল বিধায় যদি কোন পক্ষকে বেদখলের চেষ্টা করে তাহলে প্রয়োজনীয় প্রতিরোধমূলক ব্যবস্থা গ্রহণ করার নির্দেশ প্রদান করবেন। তাহলে অন্তত পক্ষে অস্থায়ী নিষেধাজ্ঞার আদেশ যথাযথ ভাবে কিছুটা প্রয়োগ হত এবং অস্থায়ী নিষেধাজ্ঞার আদেশের সুফল বিচার প্রার্থী জনগণ ভোগ করতে পারত এবং বিজ্ঞ আদালতের উক্ত পবিত্র অস্থায়ী নিষেধাজ্ঞার আদেশ পুরোপুরি কার্যকরী আদেশ হিসেবে প্রতিষ্ঠিত হত। অন্যথায় বিজ্ঞ আদালতের অন্তর্বর্তীকালীন সকল আদেশ শক্তিমান প্রতিপক্ষের অমান্যের কারণে বিচার প্রার্থী মানুষের কাছে একটি অকর্মণ্য আদেশ হিসেবেই বিবেচিত হবে বিধায় আইন ও ন্যায়নীতি সাধারণ মানুষের নাগালের বাইরে থেকে যাবে।
