Former Vice-Chancellor
University of Chittagong

I understand International Islamic University Chittagong (IIUC) shortly hold its fourth Convocation at its own campus.

This is welcome news to all concerned, specially the fresh graduates who look forward to the day with enthusiasm and high hopes.

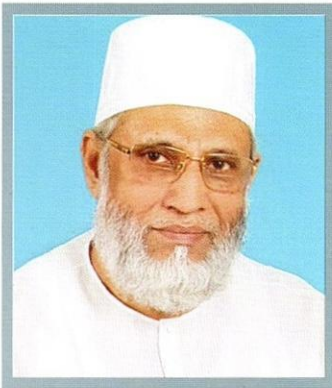

Founded in the early Nineties, the university received considerable support from guardians of the greater Chittagong region chiefly for two reasons - the university came up with certain new ideas, and it opened up opportunities for female students in a secure environment offering curricula that combined modernity with traditional academic values.

I trust and hope IIUC at its own campus shall grow, before long, into a modern centre of learning

I wish IIUC every success in the coming years.

Bismillahir Rahmanir Rahim

Alhamdulillah Rabbil Alamin, Wassalatu Assalamu Ala Rasulihil Karim.

I congratulate all graduating students from the bottom of my heart. This long awaited moment is the moment for celebration of their success. We want to see our students as successful leaders in their professional life.

Our record of recognition and affiliation from different world organizations has attracted many foreign students to take up courses at IIUC. Currently, we have 143 students from at least 07 different countries and the number of foreign students is increasing gradually. Alhamdulillah, our students are contributing in the gradual development of our beloved motherland.

We are committed to combine morality with quality education with a target to produce a new workforce equipped with academic excellence, appropriate skills, positive attitude and conscience and patriotism. We believe that education without ethical and moral ethos leads the whole nation to corruption and crimes. In order to achieve our goals we have set our slogan, "IIUC Combines Quality with Morality." This is our commitment.

I acknowledge the contributions of our honorable members of the Board of Trustees, Executives of the University for their selfless efforts in taking this university to new to newer dimensions of success. I appreciate our talented teachers and hard-working officers and staff who always give their best to lead this university towards a glorious goal.

Finally, I would like to request the graduating students to assist IIUC to achieve its mission of continuing to be a universally documented center of excellence in the territory of higher education. This is our firm conviction that IIUC graduates will prove their worth all over the world.

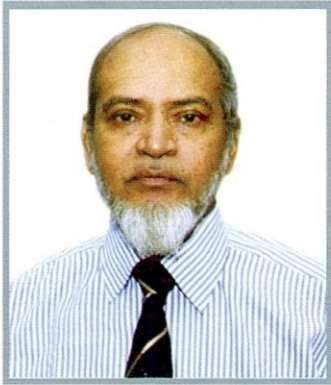

I wish the 4th Convocation of IIUC a grand Success.

Professor Emeritus and Former Vice-Chancellor International Islamic University Chittagong

Bismilahir Rahmanir Rahim

International Islamic University Chittagong (IIUC) began its journey in 1995 with a noble mission to produce a new generation of skilled youths, characterized with academic excellence, moral height and professional expertise in a student-friendly and stimulating environment. Today is the 14th day of July 2018 when a part of our students will get their cherished academic degree in the 4th Convocation of the University. Members of BoT, administration, academic and non-academic staff members are all worthy of praise for their splendid job. I am very pleased to be part of this BIG EVENT – it's like a celebration of an ending and also a beginning. I, as a former Vice Chancellor, have always known that IIUC students will overcome their hurdles and reach this moment. I am, like students' parents and friends, so proud of them - Congratulations on graduation.

Now is the time to chase dreams and set new goals. I believe that the graduates can, and graduates will! I believe in them and their dreams. I should ask the new graduates to think globally and use their knowledge and skills effectively. Remember, learning is a lifelong process and not an event. A formal education is the beginning and not an end. The challenge one must accept is to make one better every day. Learning is the key to self-confidence and this is the route to change.

I would further advise the graduates to believe that they have just reached the doorstep of success. It is now up to them to keep building, differentiating and challenging themselves. After all, they have come from such an institution like IIUC where success and excellence are synonymous. Passion for learning coupled with desire for success can take the graduates to the pinnacle.

As the new graduates go forth into the wider world, our best wishes go with them; may all of them by their behaviour and conduct add to the honour and pride to their Alma Mater.

I pray that IIUC graduates succeed in discharging their responsibilities. Graduates' parents, Alma Mater, and the Nation as a whole have given them much. Now it is the graduates' turn to repay debt.

May Allah be with all our graduates in all of their just endeavours.

Convocation Speaker's Speech

Hon'ble Education Minister, Govt. of Bangladesh, Mr. Nurul Islam Nahid,
Prof. Abdul Mannan, Chairman, University Grants Commission of Bangladesh,
Prof. K. M. Golam Muhiuddin, Vice Chancellor,
Members of Board of Trustees,
Graduating students at the Convocation,
Ladies and Gentlemen,

Assalamu Aalikum,

It was with great pleasure, and sense of honor that I accepted the invitation to attend this august occasion. My deepest gratitude and thanks go to Prof. K. M. Golam Muhiuddin, the reputed Vice Chancellor and esteemed members of the Board of Trustees of IIUC for remembering me on this occasion. For, I recall today with fondness, and nostalgia, a similar occasion in the Spring-2002 – the first ever convocation of International Islamic University Chittagong -- at the same venue which was then an absolute wilderness, slowly and painfully, developing into a university campus, with the entire IIUC family, with this humble self at the lead, working to this end. For me, this is indeed a home coming.

A university, the least a private university, does not, come into being, in a day or two. It has its teething problems – they are without a number, and they are varied in nature. It is heartening to see IIUC has, over the years, overcome, the initial difficulties and hindrances to a great extent ; IIUC now does occupy a position of respect in the community of universities in Bangladesh – a satisfying thought to its well-wishers.

Since the launching of non-Government private universities in Bangladesh in the early Nineties, a quarter-century has passed; and it is time, all concerned, took a long and hard look at the state of these institutions at the present time; and assess and evaluate their impact on the higher education scenario in the country.

The general view that prevails is – our private sector universities have so far served the nation well, despite drawbacks that are yet to be overcome. Exodus of our higher education seekers to the neighboring country has been effectively stemmed, and greater opportunities have opened up before our younger generation aspiring after pursuit of higher and specialized academic disciplines within the country itself. One specialized area that comes to the fore in this respect is Information Science and Technology or Computer Science in general. By the turn of the century saw a rising demand of digitalization – or computerization of almost all spheres of national life – general administration, communication, business, trading, manufacturing industry, hospitals, service and supplies sector, printing, entertainment, healthcare – in one word, all areas of everyday life came to be computerized gradually. Consequently, an enormous demand was created – and , as necessary corollary, a great vacuum in employment. In all fairness, it has got to be acknowledged, the first and second generation private sector universities came forward to meet this great challenge. Most universities, without exception, introduced Computer Science and Technology studies in their curricula drawing increasingly large number of students, both male and female. It is these graduates who, in their time, by and large, fulfilled the national demand. But it cannot be denied that a too rapid proliferation of private sector universities with their concomitant propensity to break rules; and alleged indifference to quality, and standard of accepted academic values, as often reported in the media, are not wholly without foundation. But criticism should be informed, objective and fair.

Credit must be given where it is due. The new universities have effectively demonstrated through actual performance that vicious session-jams observable in some state universities, destructive of valuable academic Term time, can be, and have been, done away with; and this is no mean achievement.

The new credit-system together with the grading method is certainly a safe-guard against invidious distinction among student-achievers. This makes way for flexibility and improvement within allotted time-span, and gradeing

ensures no one misses a higher grade for one mark or two.

Now, let us have a look at the other side of the coin. Although, no directive or guideline in this regard was provided in the *Act of Parliament 1992*, that brought into being, almost all that sixteen private universities in Bangladesh, opted for North American type university model (then relatively unfamiliar in the country) together with its academic set-up, and examination system. This new model has features that are distinctly different from those in the older British system followed in most older Government universities. Instead of two-examiner system for each paper of a subject, the new universities introduced the regulation that required an instructor to teach a course, set its exam paper and evaluate it himself. This reduces a student into a virtual hostage. Tutorial system was abolished.

The syllabuses designed by these new universities revealed a marked shift of emphasis in the academic concept: the liberal, democratic, ethical and humane academic base give way to turning out graduates trained in managerial, accounting and organizational skills – the emphasis being on producing personnel for big businesses and their ancillary requirements. Whereas in the older universities the objective was, through means of well-rounded education, turning out gentlemen graduates capable of taking up positions of responsibility that an enlightened, society or a free state that need them for their civilized existence. Curricular spread of these universities shows relegation of the study of subjects like history, philosophy,

literature, religion, the arts to a position of lesser importance, if not total abolition.

This state of affairs might be admissible for a limited, specific period; this is not, I am afraid, a permanently tenable position for a university worth its name.

Founded in 1992 private universities have been in operation for over a quarter century now. Regrettably enough, no serious effort has so far been made to re-evaluate these institutions – giving proper attention to their strengths as well as their weaknesses.

The fact of the matter is these universities have come to stay; these are now a part of our higher education scenario – and the nation seems to have accepted, willy-nilly, the philosophy or vision of life that these universities purportedly dispense. Time has come, therefore, for people to know all about these institutions.

Ladies and gentlemen

Forgive me if I have strayed too far afield. Allow me, please to say a few words to new graduates. This is indeed a great occasion in your life, and I feel delighted and honored to be a part, albeit an insignificant one. All of us present here do wish you all, dear graduates, future success, happiness and safety wherever you may be in your journey through life. Never forget to place the interests of your country and those of your parents upper most in your hearts and minds. Never ever forget how much you owe them. Heartiest felicitations to you all, and wish you all the best.

Thanks ladies and gentlemen for your time and bearing with me.

Thank you everybody.

International Islamic University Chittagong: at a Glance

Dr. Md. Delawer Hossain
Professor of EEE, IIUC

1. **Preamble:** International Islamic University Chittagong (IIUC) is one of the top graded government approved private universities in Bangladesh. Having fulfilled the requirements as laid down in the Private University Act of 1992, and after obtaining the necessary clearance from University Grants Commission (UGC) and the permission of Government of Bangladesh (GOB), **International Islamic University Chittagong (IIUC)** started functioning on **February 11, 1995**. The credit for the idea of establishing this University goes to Islamic University Chittagong Trust (IUCT).

IIUC framed its own Statutes, Ordinances and Regulations with a view to governing the manifold activities of IIUC i.e academic, administrative, financial, student welfare, discipline etc. as per the **Private University Act, 1992, 1998 and revised Act, 2010**. Most statutory bodies were formed under the provisions of the Act.

IIUC is run by the following **Statutory Bodies** as required by the provisions of the **Private University Act 2010:**

IIUC won the Prime Minister's National Award for *Tree Plantation* in the years 2013 and 2015.

There are about 36 buildings having floor space ~500,000 sft. One unique feature of IIUC is the

arrangement of a separate teaching facility for the female students. Currently, about 4000 (four thousand) female students are studying at IIUC in a conducive environment in the Female Academic Zone.

IIUC does not allow political and non-political party activity within the campus. However, it gives space for discussion/ meetings on various religious, cultural and national programs under the banners of various students clubs. The University has a Disciplinary Committee for taking precautions and actions against any sort of unexpected incidents in the campus. It has also established an Anti-Militancy and Anti-Terrorism Cell as per Govt.Act-2016. Smoking in the campus is strictly prohibited and punishable.

9. **Institutional Quality Assurance Cell (IQAC) at IIUC:** Quality of education in a university usually refers to the quality of its teaching, learning and research under the programs which can be assured and achieved through the program Self-Assessment. As per the instruction of the University Grants Commission (UGC), Institutional Quality Assurance Cell (IQAC) was formed at IIUC through the recommendation of 31st Academic Council meeting held on March 06, 2014 and approval of the 179th Syndicate meeting held on March 11, 2014. IQAC is being run by the own fund of IIUC.

The Outcomes of IQAC are to make IIUC ready to meet the requirements for (Institutional and program level) **accreditation** and to achieve **“Excellence in higher education”**. Continuous quality improvement (CQI) is a necessary criterion for accreditation. Outcome Based Education (OBE) system has a continuous quality improvement mechanism. In the 36th AC Meeting held on April 15, 2017, IIUC agreed to implement the **Outcome Based Education (OBE) system** from Autumn -2017. In this process, both Students and Teachers know what they are expected to do, and what will be the outcome of teaching any course.

For generating awareness about Outcome Base Education (OBE) at IIUC, the **IQAC of IIUC** have already **arranged more than 40 view- exchange programs and workshops** with Teachers, Students and Staff (during April 2017 to June 30, 2018) focusing on **creating the culture of Academic Quality Work** and the process of Self-Assessment. These programs and workshops addressed the **following issues:**

- a) Culture of Academic Quality Work and Quality Education;
- b) Self- Assessment Concepts: Objectives & Outcome of IQAC;
- c) Mission, Vision, and Teaching Policy of IIUC;
- d) IQAC and Accreditation;
- e) Effective Team Building and Self- Assessment Activities;
- f) Continuous Quality Improvement & Accreditation;

- g) Documentations related to Self Assessment Report (SAR);
- h) Outcome Based Education (OBE) and its Elements;
- i) Functions of Examination Committee and filing of Examination Documents;
- j) Pedagogy of Tertiary Level;
- k) Plagiarism;
- l) Academic Audit: A Process of CQI;
- m) How to Access and Download e-Resources?
- n) Lesson Plan: Course objective & outcome;
- o) Bloom's Taxonomy: Order of learning;
- p) Outcome Based Education(OBE) and Accreditation;
- q) IQAC and Quality of Higher Education;
- r) Office Management and Service rules;
- s) Academic Guidance & Counseling;
- t) Importance of English Communication and Public Speaking;
- u) Discussion on Survey Questionnaire for Stakeholders

In a world of Globalization, the graduates have to satisfy the **stakeholders** in terms of **knowledge, skills, attitudes and performance**. To assess the competence of IIUC graduates, it is necessary to evaluate all aspects of academic programs by taking feedback from all stakeholders of the University through questionnaire survey. Recognizing the fact, with the objective of further improvement of the academic programs, International Islamic University Chittagong (IIUC) conducted (during January-February, 2018) a self-assessment exercise through **Online Questionnaire Survey** on the stakeholders. **Quality Assurance Unit (QAU) of UGC**, Bangladesh has designed the questionnaires (as given in the IQAC manual). There are 54 statements among the **Questionnaire**. Responses of the questions in the relevant **Quality Assurance (QA)** areas are measured in the Likert scale of 5 points. Feedback from the stakeholders (namely teachers, students and non-academic staffs) has been collected and processed by IQAC, IIUC. The mean score of the survey is 3.55, which is in satisfactory grade.

আইআইউসি'র কনফারেন্সে ইউজিসি চেয়ারম্যান সন্ত্রাসবাদীদের ধর্ম নেই সন্ত্রাসবাদই তাদের ধর্ম

সন্ত্রাসবাদীদের কোন ধর্ম নেই, সন্ত্রাসবাদই হচ্ছে তাদের ধর্ম। ধর্মের নামে জরিফার আমাদের সুন্নাহকে ভুল করেছো। বর্তমান সরকার জরিফার নিম্নে সকল করেছে। গতকাল পবিত্র সর্বোচ্চ কুন্সিয়ার নিজস্ব ক্যাম্পাসে অনুষ্ঠিত আইআইউসি'র সেন্টার ফর রিসার্চ এন্ড পাবলিকেশন (সিআরপি) এর সহযোগিতায় শরীয়াহ অনুষদ আয়োজিত 'ওয়াক' হিসেবে এটি সিন্ডিকিউটি: সোয়াজ ইসলাম' শীর্ষক দু'দিনব্যাপী ইন্টারন্যাশনাল কনফারেন্সের উদ্বোধনী অনুষ্ঠানে প্রধান অতিথির বক্তব্যে বাংলাদেশ বিশ্ববিদ্যালয় মঞ্জুরী কমিশনের (ইউজিসি) চেয়ারম্যান ড. হুমায়ুন কবীরের মতামত এ কথা বলেন। তিনি আরও বলেন, 'সন্ত্রাসমূলক বিশেষ ইসলামের সাথে শান্তি এবং অশান্তির সোধাকৃত তৈরি চেষ্টা হচ্ছে। ইসলাম শান্তির ধর্ম এটা আমরা চেকশ' পন্থর ধরে বলে আসছি। কিন্তু অশান্তি সৃষ্টির জন্য ইসলাম ধর্মের অপব্যবহার করা হয়েছে।' ড. হুমায়ুন কবীরের মতামত পড়েন, 'সন্ত্রাসমূলক ইসলাম শান্তির মারামতি করেছিল, ইসলাম কখনো অস্তিত্ব করেন হতো ইউজিসি। কিন্তু আমাদের দেশে ১৯৭১ সালে ইসলামের নামে ৩০ লাখ মানুষের হত্যা করা হয়েছে, মা-শেখের সন্ত্রাসবাদী করা হয়েছিল, ২ লাখ লোকের ঘর-বাড়ি ছাড়া করা হয়েছিল।' তিনি বলেন, 'শান্তি হিসেবেই ইসলাম ধর্মের বন্দনা হয়েছে। অন্য ধর্মের নামে সন্ত্রাস হলেও তা ফালাও করে ছাড়ার হয় না। কিন্তু ইসলামের নামে নোভেলক কিছু হয়ে আর ব্যাপক।' ১১ পৃষ্ঠার ১ম কলাম

আইআইউসি'র ওরিয়েন্টেশনে ডিসি গোলাম মহিউদ্দিন দুনীতি করছে শিক্ষিত লোকেরাই

আন্তর্জাতিক ইসলামী বিশ্ববিদ্যালয় চট্টগ্রাম (আইআইউসি) এর ভাইস-চ্যান্সেলর প্রফেসর কে এম গোলাম মহিউদ্দিন বলেন, আমাদের দেশের জনসংখ্যার বিশ শতাংশ লোক দারিদ্র্যপীড়িত হওয়ার প্রধান কারণ হচ্ছে দুনীতি। শিক্ষিত লোকেরাই এই দুনীতি করছে। শিক্ষিত দুনীতিবাদের কারণে এখন অনেক মধ্যশিক্ষিত পরিবার পথের ভিখারী হয়েছে। তিনি বলেন, দেশের জন্যে যোগ্য হয়ে উঠতে হলে লোকপন্থায় সময় পায়া করতে হবে। অন্যথায় এত বড় পৃথিবীতে শুধু পৃথিবীতে বিদ্যায় সীমাপদ্ধ থাকলে চলবে না। আধুনিক শিক্ষা, আধুনিক জ্ঞানের পূর্বে থাকতে হলে অধ্যয়ন প্রক্রিয়ায় দক্ষতা অর্জন করতে হবে।
