Prof. Dr. A. K. M. Azharul Islam

Vice-Chancellor

International Islamic University Chittagong

Dear freshers,

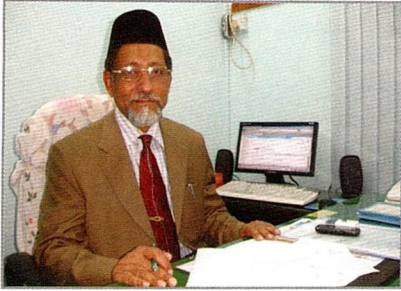

I am extremely glad to welcome all of you in this grand and happy occasion of Orientation Program for Spring Semester 2014. Prior to the commencement of each semester International Islamic University Chittagong (IIUC) organizes such program to introduce and acquaint the freshers with its systems, procedures, logistic supports and vision and mission. I believe that you have rightly chosen IIUC as a seat of further learning. I am confident that you will be provided with all the opportunities in this university to get proper education in your subject of study and also to inculcate the moral values for character building. I hope that this day is going to be a start of a successful career for your future life.

IIUC is firmly committed to maintain and ensure high standard of education and morality. As a result, the University has earned appraisable reputation within and outside the country by keeping strong foothold amongst the few top universities out of 70 or so private universities currently functioning in Bangladesh.

IIUC is following a new approach to higher education which is unique in nature for this country. Its avowed objective is to create a moral and spiritual awareness among the students through its pragmatic curricular programs and training. We believe that any higher education system leading to human development must address itself to the needs of harmonization of body, mind and soul for attaining peace and progress at individual level as well as societal level. IIUC, besides imparting knowledge in various disciplines, is striving to accomplish just this.

It is my expectation that the newcomers like you should try your best and leave no stone unturned to derive maximum benefit from this university. Moreover, in this orientation program, the freshers, through frank interaction with the teachers and officers, shall be able to attain first-hand idea of their beloved alma-mater that has been chosen as their institution of higher learning and research.

May Allah be our Guide and Strength in all our efforts and undertakings.

Professor Dr. Abu Bakr Rafique

Pro Vice-Chancellor

International Islamic University Chittagong

International Islamic University Chittagong

Its objectives, efforts and expectations

1. Introduction:

I would like to take this opportunity to express my heartfelt gratitude towards Allah (s.w.t.) for enabling us to make a meaningful contribution towards the nation and the Ummah through this University.

I do congratulate those students who are lucky enough to have a chance to be admitted to **International Islamic University Chittagong (IIUC)**. Because Insha Allah, the education you are going to receive in the coming years will set you to be professionally committed and morally sound apart from your peer groups in the society. Here at IIUC, we are proud to offer a high quality education that prepares students for success in a challenging global environment. At IIUC, we define success not merely by career accomplishments, but also by moral character and values enshrined in Islamic principles. One wise man from 1600 AD once said, "Education is what reminds when we have forgotten all that we have been taught." At IIUC, I assure you that once you are ready to graduate, there will be a lot that remains in you for the rest of your life.

Today in the 21st century, it is not enough just to have technical skills. The social, moral and behavioral aspect of leading life as a good human being and striving to be a productive member of society is equally important. Our achievements must be good not only for ourselves, but also for our parents, our future, our country and the world at large. It should inspire a community spirit for the greater good that the Almighty wants us to dedicate our lives to. Therefore, the objective of IIUC is to create a new generation of educated and motivated Muslim youths and followers of any other religion who want to be equipped with academic excellence and moral height. We aim to provide our students life-long foundation in values, ethics, and cultural understanding. IIUC has a distinct mission and vision which drives its objectives, education policy, evaluation system and even its outstanding sponsoring body of International reputation.

Now a brief description on IIUC's Mission, Vision, efforts and expectations are given below:

2. Mission, Vision & objectives of the University:

2.1 The Mission of the University is to revive the glorious past of the Muslim Ummah, as they were the patrons of scholarship and imparters of education for the whole mankind, through establishing Universities, Educational Institutions, Research Centers and Public Libraries during the Golden Periods of Middle ages.

2.2 The Vision of the University is to establish this University as the Centre of Excellence in the South Asian Region, in different areas of scholarship like Shariah Sciences, Business Studies, Modern Sciences and Engineering and Law etc. Keeping its door open to the admission seekers of Asian and East Asian region, regardless of the consideration of race, region and religion.

2.3. The objectives of the University:

- a.** To create a new generation of competent youths who will be equipped with academic excellence, professional expertise and adorned with moral height.
- b.** To follow a policy of continued Islamization of Knowledge and academic curricula in different branches of disciplines so that its students can imbibe the true spirit of Islam as an effective guiding principle in their profession and daily life.

2.4. The Motto of the University:

The Motto of the International Islamic University Chittagong is "IIUC Combines Quality with Morality".

3. The Characteristics of IIUC and its Action Plan:

The characteristics of IIUC and its action plan for attaining the above mentioned mission, vision and objectives can be summarized as follows:

3.1. Introducing an Integrated Education Policy:

An Integrated Education Policy refers to an education where a student achieves holistic learning through awareness of his surrounding and other relevant knowledge bases. For example, a student of the Faculty of Science at a public university does not need to study any course on Religion, Social Science or History. On the other hand, a student of Literature does not need to study anything about Religion, Social Science or other practical sciences. But in an Integrated education policy, a student must study Religion, History, Computer, some courses of interdisciplinary subjects, some languages like English / Arabic / French / German etc. so that a student may be prepared as all rounded personality with multidimensional exposure and broad outlook.

3.2. Regular Orientation Process:

In an integrated Education policy, the students are not only offered some courses that need to be taken for graduation requirement; but rather the student has to undergo regular training and an orientation process to identify his latent talent and to develop them through proper nursing, especially with a target to prepare himself for a future leadership role.

IIUC has a separate Division for this purpose called Student Affairs Division (STAD). Our students are advised to keep themselves in close contact with this Division.

3.3. Continuous Evaluation Process:

One of the essential characteristics of an Integrated Education System is the Continuous Evaluation Process: In this process a student is evaluated in a multidimensional manner, such as, (a) his regularity in attending the classes (b) his ability to perform assignments and class tests in time. (c) his scores in the Mid-Term Exams & the Finals.

Under this system, a student must be very regular, work hard every day to ensure a high grade in a course. The continuous evaluation process automatically filters lazy students with no real desire to seek knowledge.

3.4. An International Atmosphere:

Unlike most of the Universities of Bangladesh, IIUC is an International University which essentially requires that the door of admission in this University is not limited to the native students of the country only but also open for the admission seekers of foreign countries, rather IIUC accepts some students from abroad with scholarship. Presently more than 150 students (both male & female) from China, Nepal, India, Sri Lanka, Maldives, Somalia, Ethiopia and Nigeria are studying in IIUC in different programs.

3.5. Financial Assistance to general Students:

IIUC offers generous financial support to its students under different categories. e.g.

- i. Waiver on the basis of SSC & HSC results.
- ii. Waiver on the basis of Semester result.
- iii. Waiver if two or more siblings study at IIUC simultaneously.
- iv. Corporate waiver in MBA if certain number of officers are enrolled from a single organization.
- v. Apart from the above categories, a good number of IIUC students also enjoy scholarships at different rates sponsored by Islamic Personalities or Organizations abroad.

3.6. Facility for Study abroad with Credit Transfer:

Presently, about 50 students have transferred credit to study at different prestigious Institutions &

Universities abroad. Some of them have even secured full scholarship, showing the high quality of education that peer institutions place on IIUC. Some of these peer institutions are the Al-Azhar University in Cairo, various universities in USA, Canada, Germany and Sweden, and the International Islamic University of Malaysia (IIUM).

4. Membership of prestigious organizations and signing up MoU with renowned institutions:

IIUC has succeeded in securing membership of prestigious organizations such as the Federation of the Universities of Islamic World (FUIW) under ISESCO and the Association of the Commonwealth Universities.

IIUC has also recently entered into a Memorandum of Understanding several Institutions of higher learning in Asia, South Asia, Africa, North America and the UK.

5. Separate campus for Female Students:

One unique feature of IIUC is the availability of a separate campus for the female student body. Currently, more than three thousand female students are studying at this campus. Presently this campus is being run exclusively by Female staff.

In this connection, IIUC has taken a bold and courageous step in constructing a skyscraper in the heart of the Chittagong city. The skyscraper will be 20 storied high with an estimated budget of 10 million dollars.

6. IIUC in the eye of the Muslim World & Islamic Scholars:

IIUC is regarded highly by various Muslim Organizations and Institutes. This is due to the fact that the expectation of the leaders of Ummah from IIUC is very high. Many would like to see IIUC as a Center of Excellence in the contemporary Muslim world, and as such, they always try to contribute to the development of this University with all their abilities and sincerity. This is one of the fundamental reasons why IIUC has so far been able to implement different projects estimated at least 1.5 billion taka in local currency. May Allah (s.w.t.) give us the best of Tawfiq.

7. Our Responsibilities:

In the context of the present situation, our responsibilities are many to IIUC, to our students, to the society and to the Ummah at large.

7.1 To the IIUC & its students:

Our responsibilities to the IIUC and its students are;

- Firstly : To equip ourselves with world class knowledge and expertise to become not just professionally versatile individuals, but also individuals who tackle challenges of the contemporary world.
- Secondly : To offer very sincere services to our students and to provide them with global standard knowledge and expertise.
- Thirdly : To try to make student become good Muslims with all the basic human qualities and all rounded personalities.
- Fourthly : To uphold morality and principles of ethics by ourselves and guide our students to attain that quality.
- Fifthly : To play for the students the role of a Mentor (Murabbi or Coach) and not just a Teacher.

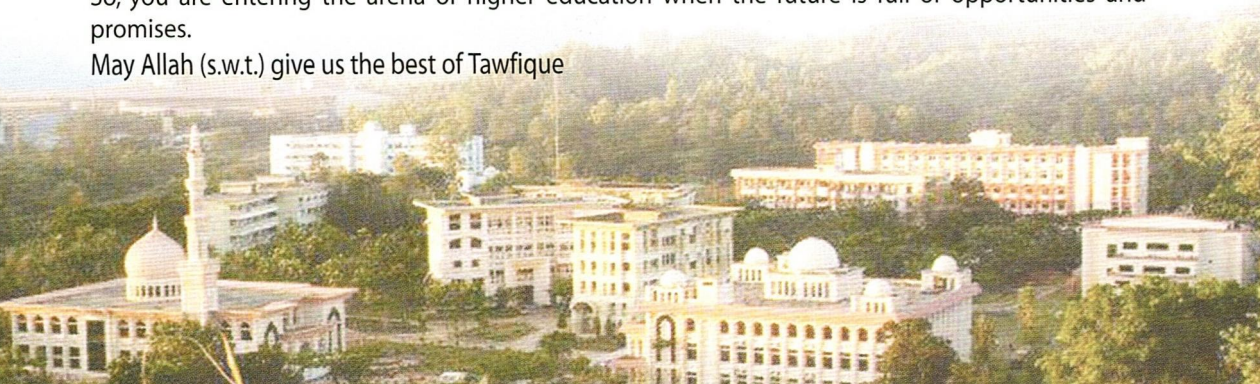

7.2: Our responsibility to the society is to present before the society a new generation of youths who are capable of taking up positions of leadership in various aspects and who can fill up the vacuum where the society has been suffering for long.

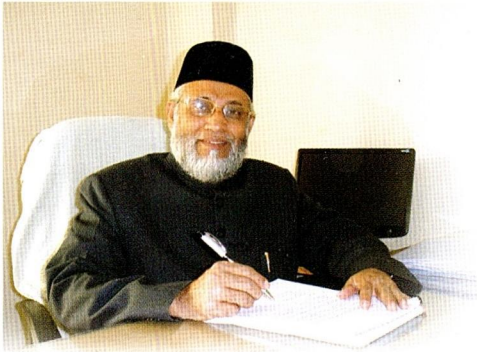

7.3 Our Responsibilities to the Ummah:

- a. To play an active role in learning from the glorious past of the Muslim Ummah to build a brighter future for this century.
- b. To create a new generation of Muslim youths with global expertise, academic excellence and moral height who can participate in revival of the Ummah.

So, you are entering the arena of higher education when the future is full of opportunities and promises.

May Allah (s.w.t.) give us the best of Tawfique

Moulana Mohd. Shamsul Islam

Chairman
Board of Trustees, IIUC

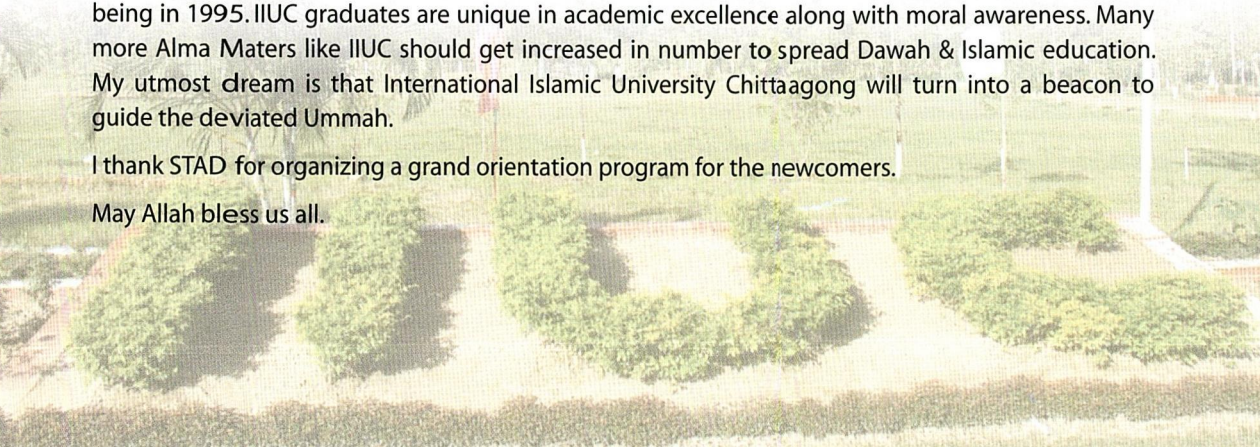

I gladly congratulate the freshers for selecting IIUC for pursuing their higher studies and welcome them in the holy arena of this seat of knowledge with warm felicitations.

Alhamdulillah, within a short span of time, IIUC has been remarkably successful in gaining the confidence of people at home and abroad through its sincere and ceaseless efforts for offering quality education in various disciplines of higher education with a difference and in a congenial atmosphere. Our commitment to quality education has really made our mark among the private universities of higher knowledge in our country.

Muslim Ummah must make sincere effort with all strength and resource they possess to regain its effaced dignity and leadership. With a view to contributing to this noble mission, IIUC came into being in 1995. IIUC graduates are unique in academic excellence along with moral awareness. Many more Alma Maters like IIUC should get increased in number to spread Dawah & Islamic education. My utmost dream is that International Islamic University Chittagong will turn into a beacon to guide the deviated Ummah.

I thank STAD for organizing a grand orientation program for the newcomers.

May Allah bless us all.

Professor Dr. Md. Delawer Hossain

Dean, Faculty of Science and Engineering &
Chief, Permanent Campus, IIUC

I express my wholehearted gratitude to Almighty Allah Sobhanothala for His kind blessings bestowed on all of us. I am delighted that you have chosen International Islamic University Chittagong (IIUC), because insha Allah, the education you will receive in the coming years will set you apart from your peers to be successful and morally sound in the society.

Unlike most private Universities in Bangladesh, IIUC is blessed with a beautiful permanent campus situated among rolling hills that carry a message of protection and perfection in beauty where both Teachers and Students can devote themselves to create Knowledge. This campus is also not very far from the Bay of Bengal but away from the bustle of the city.

The International Islamic University Chittagong is not merely an examining body - it is primarily a "nursery of good citizens". We therefore emphasized the diffusion of scientific technical and professional knowledge on the one hand and building up of character in youth by making religion and ethics an integral part of education on the other.

Today in the 21st century, it is not enough just to have technical skills. The social, moral and behavioral aspect of leading life as a good human being and striving to be a productive member of society is equally important. Our achievements must be good not only for ourselves, but also for our parents, our future, our country and the World. Therefore, the objective of IIUC is to create a new generation of educated and motivated Muslim youths and followers of any other religion who want to be equipped with academic excellence and moral stature. We aim to provide our students life-long foundation in values, ethics, and cultural understanding. So, you are entering the arena of higher education when the future is full of opportunities and promises. I assure you that once you are ready to graduate; there will be a lot that remains in you for the rest of your life. Allah guides you all to the path of success.

Professor Dr. M. Giasuddin Hafiz

Dean, Faculty of Shari'ah & Islamic Studies

It is my immense pleasure to welcome the newly admitted students of the Faculty of Shari'ah and Islamic Studies to International Islamic University Chittagong (IIUC). The faculty offers programs enriched with Islamic Revealed Knowledge and Heritage in Qur'an and Sunnah Studies. The undergraduate programs-Qur'anic Sciences & Islamic Studies (QSIS) and the Dept. of Sciences of Hadith and Islamic Studies - have been designed to equip students with a comprehensive knowledge of the Qur'an and the Sunnah. The courses of this faculty incorporate both the theoretical and the practical methods of study, covering the classical and contemporary subject matters as well as issues related to Qur'an, Sunnah and Da'wah studies.

This is because knowledge is a form of trust (amanah) from Allah to men, and hence they should utilize knowledge according to Allah's will in performing their roles as the servants and vicegerents (khalifah) of Allah on earth.

We are committed to our students to provide adequate knowledge and expertise so that they can become responsible enough for their own development and contribute significantly for our nation. I hope that the students shall study hard to fulfill the dreams of our country.

Professor Dr. Farid A. Sobhani

Dean, Faculty of Business Studies, IIUC

I am pleased to welcome all newly enrolled students at International Islamic University Chittagong (IIUC). At present about 13,000 students are studying the undergraduate and graduate programs in various departments of the university from home and abroad. In view of student population, Faculty of Business Studies is the largest school that includes two important departments: Department of Business Administration (DBA) and Department of Economics & Banking (DEB). The academic programs such as, Bachelor of Business Administration (BBA), Bachelor of Social Science (BSS), Master of Business Administration (MBA), Master of Bank Management (MBM) are offered under the Faculty. Admission to these programs is competitive, and we are proud of this reputation.

I extend my heartfelt thanks and congratulations to all fresh students who have recently enrolled to pursue BBA and BSS programs at different campuses of this University. I hope, the students will enjoy their study and find the faculty members and administrative staff very much cooperative during their novel academic journey. May Allah (SWT) help them to become enlightened graduates and committed citizenry so that they can serve the nation and the mankind at large.

Professor Morshed Mahmud Khan

Coordinator, Dept. of Law

Learn that IIUC is going to arrange Orientation for the freshers. I congratulate them for choosing this university for their higher studies. Having acquired the prestigious position of one of the top grade Private Universities, the IIUC has unique moral and human environment to develop a student into world standard academic scholar equipped with both worldly and religious knowledge; thus making him fully eligible to become a leader of entire humanity as ordained by Almighty Allah. IIUC has unique arrangement for

imparting quality education mingled with morality. It is my firm belief that students of the Faculty of Law after completion of their studies in the IIUC will be most successful as members of Bar or Bench. Let us pray to Allah for the success of IIUC and the freshers who have come with lofty hope and aspirations.

Muhammad Mahbubur Rahman

Chief (In-charge), Female Campus, IIUC

All praises to Allah (SWA) who enabled me to write a few complimentary words on the occasion of Orientation ceremony of undergraduate programs of IIUC. Indeed, it's a great pleasure for us that we are going to receive the successful admission seekers. I welcome all of the freshers who have chosen IIUC, one of the best private universities in Bangladesh upholding the Islamic norms and ethical values together with quality education, for their higher education. We are very much earnest in our effort to develop the efficient undergraduate students capable of handling the ever-changing challenges faced by our country in coming days.

As IIUC is firmly committed to upgrade the career of its students to the next level of efficiency and quality combined with morality, I think students will be able to fulfill their expectations and future dreams. I congratulate them once again and pray to our Lord to build them as a good personality with moral character and competent future leadership. Allah Hafeez.

Sqn Ldr (Retd.) Muhammad Nurul Islam

Registrar, IIUC

All praises to Allah (SWT) who enabled a group of Islamic Thinkers, Educationists, Philanthropists and Social Elites to materialize their long cherished dreams into reality by establishing this highest seat of learning-International Islamic University Chittagong (IIUC) in 1995. With the passage of time, this University has emerged as one the top graded Private Universities in Bangladesh with its large fleet of teachers, students and administrative staff. With its multi-dimensional expansions, IIUC is now esteemed as the most prestigious educational institute at home and abroad. Consequently, the enthusiastic guardians are rushing in large number for seeking admission of their wards at IIUC as their first and lone choice. I heartily congratulate and welcome all freshers at IIUC and pray for their brilliant success in the days to come.

Allah (SWT) bless good virtues, sound health, safe stay and career for all (Ameen).

Dr. Md. Rashid Zahid

Head, Dept. of Quranic Sciences & Islamic Studies

Congratulations!

I warmly congratulate all of you in this grand and festive occasion of orientation program for newcomers on behalf of the Dept. of Quranic Sciences & Islamic Studies. Since its inception the dept. has become a benchmark for Islamic Studies in country.

Students will get the profound knowledge about modern science and its correlation with the holy Quran. I strongly believe the invigorating education it offers will facilitate the road to Islamic thoughts with the flavor of rich diversity in terms of answering the contemporary issues.

My best wishes to all freshers. I wish their journey a success. May your future be precious with IIUC. May Allah bless us all the ways

Mohammad Abul Kalam

Head, Dept. of Sciences of Hadith and Islamic Studies

It's a pleasure for me to welcome the freshers in the premises of International Islamic University Chittagong which aims to combine education with the august spirit of quality with divine morality. I am optimistic enough that the newcomers will certainly be put in an ambience where they will be able to learn to obtain their personal gain in particular and to serve the humanity as a whole.

The Department of Sciences of Hadith and Islamic Studies of this University strives to disseminate knowledge based on the holy Quran and Sunnah. It basically excels in the scientific study of the holy Hadith. I believe that the students of this Department will able to learn the magnanimity of sayings of the last prophet of Islam, Hazrat Mohammad (PBUH). Above all, they certainly will have the command in the Islamic basic principles which are very much essential to day to day life both in personal and state affairs.

Finally, I would like to thank STAD for arranging such a gala event for the newcomers. May Allah bless us all both here and hereafter. Ameen.

Md. Monirul Islam

Head, Dept. of Computer Science & Engineering

I would like to extend a warm welcome to the newly enrolled students on behalf of the Department of Computer Science and Engineering (CSE), IIUC. Our Department was founded in 1995 at the same time of the university. We provide an excellent environment for teaching, learning and research in Computer Science and Engineering in order to prepare our students for productive careers in industry and academia. Besides academic works, you have the opportunities to participate in extra and co-curricular activities through our Computer Club like programming contests, IT festivals, gaming contests, workshops, debates and so on. Graduates of CSE, IIUC are now one of the strongest forces in the job market of Bangladesh as well as abroad. Graduates of CSE department are completing their post graduate and doctoral degrees in renowned universities of all over the world with prestigious scholarships. We believe the opportunities available here for the students will give the students effective ways to advance superbly in the area of Computer Science and Engineering. May Allah (SWT) help us to reach our goal.

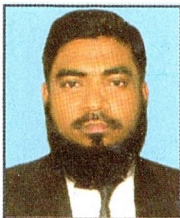

Dr. Md. Shakawat Zaman Sarker

Head, Department of EEE

Welcome to the department of Electrical and Electronic Engineering at International Islamic University Chittagong. The field of Electrical and Electronic Engineering encompasses many exciting technologies such as microelectronics, computer systems, communications system, nano-technology, biomedical system and etc. which have been among the fastest growing and most challenging technologies that enable the development of the modern information-based society. The Department runs an undergraduate program named Electrical and Electronic Engineering (EEE). The Department currently has 34 academic staff and 11 teaching staff; about 550 undergraduate students. We have 10 laboratories with advanced equipment and facilities for supporting our teaching and research. The mission of the Department is to produce the highest quality of graduates to serve the society, and to conduct leading-edge research. The Department's web site provides a range of information about the Department. We hope you find the information useful and would of course welcome your comments.

Mohammed Abu Sayeed

Head, Department of Pharmacy

Alhamdulillah. At the outset I would like to convey my earnest affection and best wishes to each one of the freshers. It is indeed a privilege for me to be associated with this great department as its Head. Our aim is to prepare students to be the most competent, responsible and caring pharmacist or pharmaceutical scientist. It is designed to produce the skilled and efficient professionals for pharmaceutical industries, hospital pharmacy, community pharmacy services and other government bodies related to health services and research organizations. The curriculum offered is very competitive with national and international universities, students following successful completion of this program will be able to conduct higher studies and work at home and abroad without any difficulties.

May Allah give you tofwiq to be a superb pharmacist to build a self dependant nation.

Md. Razu Ahmed

Head, Dept. of Electronic & Telecommunications Engineering

First of all I welcome all of you in the Department of Electronic and Telecommunications Engineering (ETE). The Department of ETE is an excellent combination of both Electronics Engineering and Telecommunication Engineering. Research and education are closely linked within this department. Most of our teachers have higher education from foreign countries like United Kingdom (UK), Italy, South Korea, Thailand, and so on. The curriculum of Bachelor of Electronics and Telecommunications Engineering (B.Sc. Engg. in ETE) is designed maintaining international standard and modified to keep up-to-date after every two academic years.

Our Department has modern laboratories of all courses. The laboratory facilities of this Department deserve first rank among the ETE departments of all public and private universities of Bangladesh. Few of many well-designed and well-equipped laboratories include: Programming and Software Development Lab, Microprocessor and Micro-controller Lab, Optical Communication Lab, Satellite Communication Lab, Mobile and Wireless Communication Lab, Control System Engineering Lab, Biomedical Engineering Lab, Microwave and Antenna Design Lab, Digital Communication, and Radio and Television Engineering Lab.

The job market of ETE graduates is very vast in Bangladesh. Some of these are: Software Development Firms, Radio and TV broadcast and Transmission Stations, Mobile Communication Companies like Robi, Citycell, Grameen Phone, Bangladesh Telecommunication Company Limited (BTCL), IT Management Department of Different Banks and Companies. Hardware Producers like Huawei, Ericsson, 3G/4G/LTE Networks.

On completion of the programme, our graduates have the necessary skills for higher studies including research-based masters, M. Engineering, Masters leading Ph.D. A good number of our alumni have enrolled for higher studies in many universities of countries like Finland, Germany, Australia, South Korea, and so on.

Professor Dr. Abdul Hamid Chowdhury

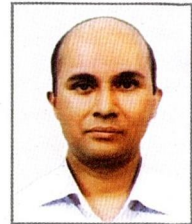

Head, Dept. of Business Administration

Globalization of business has changed the dimension of international relations. Economic activity at global arena has become the centre of interest which is eroding the national boundary of nations. Innovations and creations will remain useless unless commercialization of products and services are done following the process of Business Administration. The Bachelor of Business Administration (BBA) programme in IIUC has been designed considering the transnationalisation of business and supporting activities. The students of BBA programme in IIUC will get all relevant knowledge to face the challenges of globalisation at moral height.

I welcome all the newly enrolled BBA students in Autumn Semester 2014. I hope that IIUC will develop them to cope with rapidly changing business world and in building their professional career at home and abroad.

Mohammed Saiful Islam

Coordinator, Department of Economics & Banking

People get confused while taking decision because the outcome of the decision becomes available only after a certain period of time. However, having better outcome people realize that the decision was right. In your case I would firmly say that you have taken the right decision choosing the Department of Economics & Banking. At least one additional door will remain open to you. Be confident! All the best wishes.

Sajjadul Karim

Head, Dept. of English Language and Literature

With a heart full of ecstasy I would like to hail all the newly admitted students of IIUC under Autumn 2014. Department of English is rich with updated syllabus that contains the literary works of British and American scholars. After completing their B.A.(Hons) in English Language and Literature students must develop a rich temperament that will certainly help them in exerting their talents in the different fields of practical life. It is expected that every student of ELL will be the ambassador of IIUC with morally uplifted mind and competency.

I hope that our students will use the facility of this university and make themselves capable enough to face the ever changing ideas of the modern world. I wish their every success in life.

Mohammad Saidul Hoque

Head, Department of Law

It is my pleasure to welcome all the students admitted in the Department of Law in Autumn 2014 session for choosing International Islamic University Chittagong. I am also pleased to have the students in the Department of Law because legal field is the focusing point of every time and age. All the activities of the world are centralized by law and the demand of this subject is pervasive one in the day to day world while its steam in our country is speedier than others. The separation of Judiciary and the position of Judges have been duly evaluated by giving unique position to them in our country. The other advantage is that this university is the pioneer in this land in rendering its integrated; Modern and Islamic Law with the help of which a student can compare and discover himself in new arena of knowledge.

Dr. B.M. Mofizur Rahman Al-Azhari

Director, Center for University Requirement Courses (CENURC)

IIUC starts its journey in order to have a balanced and glorious generation providing them proper education equipped with modern teachings as well as religious thinking and vision. CENURC is the prime artist of having this goal positively.

"CENURC" imparts Arabic and English Languages, Islamic Aqidah, Ibadah, Qur'an, Sunnah, Dealings and Behavior, Government and Politics, Islamic history and Bangladesh courses. These are considered to be the embodiment of the very mission and vision of IIUC. May Allah (SWT) grace you with a view to harvesting the maximum benefits from these courses in the life here and here-after.

Heartiest felicitation goes to all newly enrolled students.

Student Affairs Division

A. Z. M. Obaidullah

Director-STAD

International Islamic University Chittagong

My Dear Freshers,

Assalamu Alaikum Wa Rahmatullahi Wa Barakatuhu.

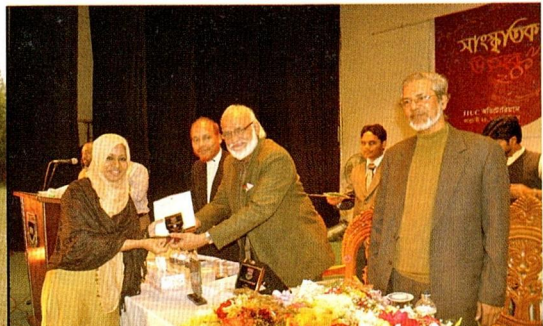

A very pleasant good morning to you all.

Student Affairs Division or STAD is one of the administrative divisions in IIUC. We don't find any such division in our Public or Private Universities. Following the footsteps of International Islamic University Malaysia, IIUC decided to introduce this division with great enthusiasm to develop our students physically, culturally and mentally.

Roles and functions of STAD:

- To organize and conduct student-related programs.
- To provide training and instructions to our students.
- To explore the potentials of the students.
- To recommend, approve, coordinate, advise and monitor programs.

STAD aims at attaining and developing outlooks and characteristics like faith in Allah, correct Islamic knowledge, proper practice, Ukhuah, mutual love and respect, encouragement of students' active participation in co-curricular activities to create in them critical, rational and strategic mind, skill development, discipline and leadership. It also works for promotion of the philosophy and objectives of IIUC.

STAD Units :

IIUC has many programs under different units of STAD, such as,

1. Leadership Training Unit, which covers Dynamic Leadership Training Camps (DLTC), Leadership Training Program (LTP), etc.

2. Student Activities Unit, which covers mainly seminars, symposia, discussion meeting in observance of important national and Islamic days and occasions, Orientation Program, convocation, formation of nuqaba council, formation of clubs and societies like debating club, games and sports club, literary and cultural societies.

3. Sports and Recreation Unit, which covers annual sports, intrauniversity competition, indoor and outdoor games, tour to historical places and business organizations, pleasure trip/picnic and study tour at home and abroad.

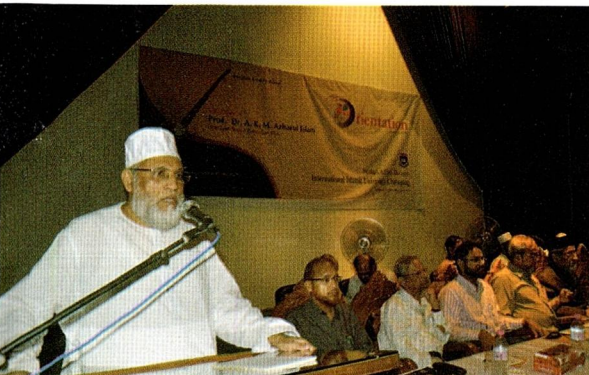

4. Public Speaking and Cultural Unit, which covers debate competition, essay competition, cultural festival, award giving ceremony, computer club and IIUC literary society, public lecture series, etc.

5. Hall Unit, which coordinates the hall activities, allocates seats for the students and works as member secretary of Hall Management Committee (HMC).

6. Students Service Unit, which covers services like photocopying, telephone, e-mail, fax, laminating etc.

7. Counseling and Career Guidance Unit, which covers group and individual counseling, career and job placement, preserving CVs of the graduates, advising students to solve their problems. IIUC organized a successful Job Fair in 2003.

8. Special Unit, which covers general administration, notices/letters regarding different programs and issues, publishing brochures, leaflet regarding student activities, Study Class and others, publication of IIUC magazine.

9. Disciplinary Unit, which covers introduction of Students' General Discipline Rules, holding Discipline Committee meetings, issuance and preserving all show-cause notices and replies thereto, circulation of decisions of the Disciplinary Committee to departments, students & divisions concerned.

Following are some of the rules and regulations not mentioned in the papers :

- 1.** Every student should have comprehensive knowledge about the University, Semester System, Grading Systems, Examination rules and all other academic matters, also about different divisions such as ACAD, Controller of Exam's Office, STAD, ACFD, PHRD, SDSWD, PPD, FAD and LID. And one can learn this from the booklets & pamphlets already available in the office.
- 2.** IIUC has not introduced any uniform for the convenience of the students but introduced a unique dress code. Students must come to the University in a befitting dress as described in the attire and dress code. Students must come with card ID. Security personnel have right to refrain one from entering the campus without ID and proper dress.
- 3.** Usually the office time of IIUC is 9.00 A.M to 5.00 P.M. Library and laboratories are kept open till 8.00 P.M. everyday. Students are advised to come to the Campus keeping 30 minutes time in hand before the scheduled class. While you enter the University, go to the notice boards. See whether there is any notice for you. It may help you a lot.
- 4.** Offer salam with smiling face to teachers, friends and everybody you meet in the Campus. Salam makes people friends and eliminates bitterness.
- 5.** Attend the classes timely. Put your signature in the attendance sheet.
- 6.** Try to converse, exchange views in the classroom or in the office room either in English or in Arabic. Try to develop an international environment.
- 7.** Student politics is strictly prohibited in the Campus. You may have your own political opinion but don't express that in the Campus or Hall. Here your first and foremost priority is Study.
- 8.** IIUC is a smoking free zone. Whether you like it or not, you are not allowed to smoke in the campus or hall. Comply with government act regarding this.
- 9.** Keep your University neat and clean. Don't spit here and there. Use the dustbins. Don't write on the walls, chairs, tables, etc. Please give us note regarding anything you know that spoils beauty and cleanliness of the University.
- 10.** Honor everybody, take care of your juniors and pay heed to your seniors. Think everybody as Ashraf Makhluqat regardless of age, profession, religion, etc.
- 11.** Muslim students should be very much regular in prayer.

Dear Students,

We are really happy having you all at IIUC as members of our noble family. Hope you will enjoy a very happy, prosperous and healthy stay at IIUC. Please don't miss the advantage offered by IIUC for developing your career with an excellent moral base which is a crucial need of our time. Thank you all.

Staff Development and Student Welfare Division
Dr. Kazi Deen Mohammad
Vice Chairman, IUCT and Director-SDSWD
International Islamic University Chittagong

International Islamic University Chittagong (IIUC) is committed to combine modern education with Islamic education. Since its inception, this university is trying to ensure quality education. Accordingly, Staff Development and Student Welfare Division (SDSWD) has been launched to materialize this endeavor.

Main Objectives of SDSWD:

- ◆ Helping the teachers in their academic development and the Administrative Staff in their professional skill development.
- ◆ Organizing training programs, study circle, seminar and symposium for developing intellectual base and morality of the academic staff and officers.
- ◆ Providing financial assistance and scholarship for the brilliant and poor students.
- ◆ Arranging training programs to develop the morality of the students.

The Division basically works for the development of both the teachers and the students of IIUC.

As today's Orientation Program is to introduce the freshers with the functions of different Divisions, only the functions and programs of Student Welfare unit are stated here;

a) Scholarship:

SDSWD provides scholarship to the students of various categories ranging from Tk. 6000 to Tk. 15,000 each semester. The eligibility of getting the scholarship is measured by the morality and practice of Islam in real life of the student.

Besides, the minimum GPA of winning the scholarship is 3.80. If the scholarship awarded students fail to maintain desired GPA, the scholarship would be withdrawn. The scholarship is primarily given for one year. The list of the scholarship receivers will be renewed / altered according to the result every year.

Scholarship for Higer Education :

This Division is continuing its effort to create opportunity of higher education in reputed foreign universities for the meritorious and ideal students of IIUC. IIUC sends 2 best students of the postgraduate level abroad for pursuing higher studies each year. It should be noted that IIUC aims at appointing some of them as faculty members considering their academic excellence as well as commitment to Islam. Mr. Ashraful Islam, a brilliant student of the Department of Computer Science & Engineering, joined IIUC after completing M.Sc from England. He enjoyed full scholarship from IIUC.

Another 2 bright IIUC graduates of CCE (Late Md. Abdullah Al Masud) & DBA (Md. Zahedul Alam) have completed higher studies at Asian Institute of Technology (AIT, Thailand) with full Scholarship of SDSWD.

Besides, Graduating students interested to transfer credit to foreign university will be helped accordingly by the Division.

B) Financial Assistance :

IIUC offers generous financial assistance to the poor and meritorious students. Apart from the amount granted for regular scholarship as mentioned above, IIUC keeps 5% of its revenue for granting financial assistance to the students based on semester results. Priority is given to those who are

from poor family but meritorious.

- ▶ As per IIUC's existing rule, a student may get the chance of full free studentship if he/she obtains Golden GPA in HSC and SSC exam or equivalent.
- ▶ 25% waiver on Tuition fee if two or more siblings study at IIUC simultaneously.
- ▶ Only the registered students may get financial assistance.
- ▶ Students studying foundation course (FEC) or of 1st semester are not considered for financial assistance. But siblings and Golden GPA holders may get T. F. waiver in spite of being students of 1st semester.

The whole process of Financial Assistance & Tuition fee waiver is supervised by Staff Development & Student Welfare Division (SDSWD). Students are suggested to contact SDSWD office for any query regarding Financial Assistance.

C) Foreign Students Unit :

This unit of SDSWD looks after the affairs of Foreign students. It makes regular correspondence with foreign organizations/institutions to collect foreign students, and arrange to sign MoU with prospective organizations/Universities abroad. Mentionable here is that about 150 foreign students from India, Sri Lanka, Nepal, Maldives, China, Somalia, Ethiopia, Nigeria, Turkey have been studying in IIUC.

Dear Students,

Let me wind up my briefing wishing you bright and happy moments at IIUC. Build your career, build the nation. Try to be true to your word and actions. May Allah help you.

Thank you so much.

Accounts & Finance Division
Tawfiqur Rahman ACMA
 Director (In-charge), ACFD, IIUC

Dear Freshers,

Assalamu Alaikum,

First of all, I would like to offer praise ad thanks to Allah (SWT), Darud and salam upon our holy Prophet Muhammad (SM) and his followers. I express my gratitude to the Almighty Allah as I am given the opportunity to say a few words in this August Orientation Ceremony before the newly enrolled undergraduate students of Spring Semester 2014. I, on behalf of Accounts & Finance Division (ACFD), welcome you to International Islamic University Chittagong which is an emerging institution in the arena of higher education that has the avowed goal of imparting contemporary knowledge with Islamic ideology and ethical values to the students. I do believe that the quality education that you would receive at IIUC will develop you to cope with rapidly changing challenges as well as with the competitive global job markets.

Accounts & Fincance Division is the first fully computer automated division at IIUC. ACFD is basically respon- sible to handle accounts, Investment, payroll, payments, Advances, Loans, Contracts & Supplies, Budget, Treasury, etc. ACFD offers expertise, advice and assistance in the University's decision and policy making in matters relating to finance and accounting. It generates Islamic Financial Systems (IFS) management and concepts in the University's financial system complying with International Financial Reporting System (IFRS) and General Accepted Accounting Policies (GAAP). The division is striving for a Total Quality Management (TQM) and for adopting the approach of a learning organization in the way for excellence.

Regarding collection of fees and charges from students, it maintains automated ledger card to give updated information to the students. It issues money receipt and money deposit slip book, implements policies and maintains all kinds of financial records of the students.

Key Notes :

Admission, Semester and tuition fee of 1st Semester should be paid in full during admission period and subsequent tuition and semester fee should be paid during the course registration. Dues (if any) should be settled at least 2 weeks before the semester final examination.

- * Students have to collect money deposit slip book from ACFD and then all fees are to be deposited at IBBL, Chawkbazar branch, Chittagong. The Students of Permanent Campus can deposit the fees at Exim Bank, Sitakunda Branch.
- * It should be noted that the course Registration Form would not be accepted by ACFD if students fail to produce money deposit slip book for ensuring the deposit of amount at IIUC account in time.
- * If any student is allowed to repeat the semester, then he/she is required to pay 50% of the tuition fees along with semester fee. If any student is allowed to repeat any course/courses, then he/she is required to pay 50% of the tuition fees (on credit hour basis). In brief, this is the procedure regarding payment of fees and charges. If you need more information about financial matters, please feel free to get in touch with ACFD within the office time. We assure you that we are always beside you to give you maximum service. IIUC wants you to be a future leader of the country to materialize the aims, mission & vision of the generous founders of this non-profitable university. My last words to you are: be true to yourself, to your family, to your university, to your country, to ideology and humanity. In fine, I pray that Allah might give us strength in our effort. I take leave of you and wish you good speed in your journey of life.

Thank you all.

Library & Information Division

S.M. Noor-E-Elahi
Director (In-charge), LID

Dear freshers,

Assalamu Alaikum wa Rahmatullah.

Welcome to IIUC library. I also thank you for selecting IIUC to pursue your higher studies. I do believe that all of you have a great vision of imbibing the true spirit of Islam as an effective guiding principle in your work and daily life. Now, I take a privilege to brief you on Library & Information Division of IIUC.

Library General Rules: Opening Hours: Everyday from Saturday to Wednesday: 8 am to 8 pm.

Thursday: 8 am to 1 pm. Friday: 3 pm to 8 p.m. * *During the prayer-time library will remain closed.*

Library Membership: If you intend to be a member of the library you have to deposit Tk. 1,000/- (One thousand only) to Accounts & Finance Division (ACFD) as Library caution money (refundable). Then you have to fill up the Library Membership Application Form and submit it along with two stamp-size color photographs and show your ID card or registration form and ACFD receipt (Library caution money) to the circulation desk to have a library card.

Issue System: you have to Produce / submit your library card to the circulation desk when borrowing library materials. Library card is not be transferable. We are giving you four books at a time for fifteen days.

Catalogue: You can choose books from the catalogue book or computer database and these can be borrowed by submitting a filled up requisition slip. Library staffs always pay much attention to every user. Please feel free to ask us for any kind of help in searching of the suitable reading materials.

Penalty: Library materials borrowed must be returned or renewed by the due time. Otherwise you will have to pay fine of Tk.1.00 per day for each book.

Reference & Photocopy: The users need reference books, journal, question etc. Photocopying of these materials may be done by a staff of the library by advance payment or by one's own self. This option may be provided usually during Evening Shift. Photocopied materials taken by own self must be returned by the due time. Otherwise you will have to pay fine of Tk.1.00 per hour for each book.

Carefulness & Behavior: A library is reading and research zone for the readers and researchers. Therefore, silence should be strictly observed in the Library premises. Smoking, eating and drinking are strictly prohibited inside the library. Bags, Umbrellas, parcels, etc. are not to be brought into the library and may be kept in Library Bag Room.

Collection: Our book collection consists of text and reference books on all subjects offered at IIUC. A large numbers of Journals, Periodicals & Magazines from home and abroad are available in the Library. Among the most demanded magazines are the Economist, Business Week, Asia Week, Time, PC World, Reader's Digest, Computer Today, Al-Islam, Kalom, Prethibi, etc. The most popular newspapers are available for you everyday.

A Library is an ever-growing organization. From the beginning, the IIUC Authority has been paying much attention to its library. As a part of this keen attention we got the membership of BIPC (Bangladesh INASP-PERI Consortium) network. Through this network we are hopeful to have access to more than eight thousand electronic journals. Since reading is an important part of the academic process, we are always conscious about enriching and diversifying our collection. Our total collection is now more than **One lac forty eight thousand four hundred & thirty five** including books and documents. We are always in the process of updating and renovating of the collections. Within a very short period of time all library transactions will be conducted through automated system, insha Allah.

I just request you to save the library materials and use the books carefully. We can't protect our library materials without your cordial cooperation. Please keep the reading atmosphere in library rooms and don't disturb your friends on study.

I expect the successful completion of your study at IIUC. I am also hopeful of your bright career and contribution to the nation building. May Allah help all of us.

Thank you again.

May Allah subhanahu ta'ala bless us all.
